- (a) **General Authority.** The Commission is established by § § 3-100 and 3-800 of the Philadelphia Home Rule Charter and has those powers set forth in Article IV, Chapter 6 of the Philadelphia Home Rule Charter. [If in exercising its authority, the Commission prepares a written interpretation of the Zoning Code in order to resolve an ambiguity, such interpretation shall not be binding unless it is approved by ordinance. Any such interpretation shall be posted on the Commission’s website within one week after approval by ordinance.]

* * *

§ 14-303. Common Procedures and Requirements.

* * *

(6) Zoning Permits.

- (a) **Applicability.** This section applies to all applications where the decision on a permit is to be made by L&I, including but not limited to those specific decisions listed in § 14-303(6)(b) (Types of Zoning Permits). Zoning permits confirm that the application complies with all applicable provisions of this Zoning Code. L&I shall have authority to issue the permits and approvals listed in this § 14-303(6) (Zoning Permits):

* * *

- (.2) Regardless of whether the existing lot, structure, or use is currently the subject of a variance, permit, certificate, special exception, or proviso issued by the Zoning Board, provided that the application shall be consistent with the terms of *the current Zoning Code and* that variance, permit, certificate, special exception, or proviso. If the application is not consistent with or would require a modification of the terms of a variance, permit, certificate, special exception or proviso approved by the Zoning Board, or otherwise not consistent with this Zoning Code, the application shall be denied and referred to the Zoning Board for action pursuant to the applicable section.

* * *

§ 14-305. Nonconformities.

City of Philadelphia

* * *

- (6) **Nonconforming Structures.** Nonconforming structures may be expanded or extended, provided that the expanded or extended area (a) complies with all provisions of § 14-701 (Dimensional Standards) and § 14-702 (Floor Area Bonuses) applicable to the zoning district where the property is located, (b) complies with the provisions of this § 14-305(6) (Nonconforming Structures), and (c) does not increase any existing nonconformity.

* * *

- (g) Repairs to or renovation of a nonconforming structure or site improvement that brings the structure or site improvement into greater compliance with the building code is permitted. *For the purposes of this subsection (6), a repair shall be defined as any one of the following: (a) interior work which does not result in increased gross floor area; (b) the replacement of up to two-thirds of the structural framing members when work involves the replacement of any portion of the exterior wall; or (c) the replacement of portions of nonconforming structures in their original footprint or height. A building may be “repaired” to the original or lesser height and area.*

- (7) **Nonconforming Lots.**

* * *

- (b) New subdivisions or re-subdivisions of land *that are subject* [pursuant] to § 14-304(7) (Subdivisions and Subdivision Plats) after the effective date of this Zoning Code must meet the requirement of § 14-701 (Dimensional Standards) as well as all other provisions of this Zoning Code. *All other lot adjustments and subdivisions of nonconforming lots are permitted provided the lot adjustment or subdivision does not increase an existing nonconformity.*
