**AN ORDINANCE ADDING SECTION 89.295  
TO THE SAN DIEGO COUNTY CODE OF REGULATORY ORDINANCES  
TO FORM AN UNDERGROUND UTILITY DISTRICT  
ON MISSION ROAD, PHASE III  
UNDERGROUND UTILITY DISTRICT NO. 94**

The Board of Supervisors of the County of San Diego ordains as follows::

Section 1. Section 89.295 is hereby added to the San Diego County Code of Regulatory Ordinances to read as follows:

Sec. 89.295 UNDERGROUND UTILITY DISTRICT NO. 94.

The following described portion of San Diego County, State of California, is hereby declared to be Underground Utility District No. 94 of the County of San Diego:

Those portions of Blocks 9, 10, 19, and 20 of West Fallbrook, together with portions of Mission Road (formerly known as Juniper Street), in the County of San Diego, State of California, according to Amended Map thereof No. 743, on file in the Office of the County Recorder of said County, described as follows:

1. Beginning at the southeast corner of said Block 19;
2. Thence southerly along the southerly prolongation of the easterly line of said Block 19 and the easterly boundary of said Block 20 a distance of 80 feet;
3. Thence westerly parallel with the northerly boundary of said Block 20 and the centerline of said Mission Road to the westerly boundary of said Block 20;
4. Thence continuing westerly parallel with said centerline and the northerly boundary of said Block 9 to the westerly boundary of said Block 9;
5. Thence northerly along the westerly boundary of said Block and the northerly prolongation thereof a distance of 80 feet to the southwest corner of said Block 10;

6. Thence northerly along the westerly boundary of said Block 10 a distance of 31 feet;

8. Thence continuing easterly parallel with said centerline to the easterly boundary of said Block 19;
9. Thence southerly along said easterly boundary 31 feet to the Point of Beginning.

The Board of Supervisors shall by subsequent resolution set the dates by which all affected property owners shall be ready to receive underground utility service and by which the utility or utilities must remove all poles, overhead wires and associated overhead structures and make the necessary underground installation of wires and facilities for supplying electric, communication or similar or associated service within Underground Utility District No. 94 and notice of the adoption of such subsequent resolution shall be given by the Clerk of the Board of Supervisors in the manner provided in Section 89.107(a) and (b) of this Division.

Section 2. It is the finding of the Board of Supervisors of San Diego County that the public health, safety and welfare require the removal of poles, overhead wires and associated structures, and the underground installation of wires and facilities for supplying electric, communication or similar or associated service within Underground Utility District No. 94. The Board of Supervisors further finds that Underground Utility District No. 94, herein created, is in the general public interest because that portion of Mission Road, from Hill Avenue to Main Avenue, within Underground Utility District No. 94 is used by the general public and carries a heavy volume of vehicular traffic and has a heavy concentration of overhead lines.

PASSED, APPROVED AND ADOPTED this 5th day of December, 2001.
