NOTE: The entire article is new.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part II, Chapter V, of the San Francisco Municipal Code (Health Code) is hereby amended by adding Article 19 thereto, reading as follows:

ARTICLE 19

SMOKING POLLUTION CONTROL

Sec. 1000. Title. This Article shall be known as the Smoking Pollution Control Ordinance.

Sec. 1001. Purpose. Because the smoking of tobacco or any other weed or plant is a danger to health and is a cause of material annoyance and discomfort to those who are present in confined places, the Board of Supervisors hereby declares that the purposes of this article are (1) to protect the public health and welfare by regulating smoking in the office workplace and (2) to minimize the toxic effects of smoking in the office workplace by requiring an employer to adopt a policy that will accommodate, insofar as possible, the preferences of nonsmokers and smokers and, if a satisfactory accommodation cannot be reached, to prohibit smoking in the office workplace.

This ordinance is not intended to create any right to smoke or to impair or alter an employer's prerogative to prohibit smoking in the workplace. Rather, if an employer allows employees to smoke in the workplace, then this ordinance requires (1) that the employer make accommodations for the preferences of both nonsmoking and smoking employees, and (2) if a satisfactory accommodation to all affected nonsmoking employees cannot be reached, that the employer prohibit smoking in the office workplace.

Sec. 1002. Definitions. For the purposes of this Article:

(1) “City” means the City and County of San Francisco;

(2) “Board of Supervisors” means the Board of Supervisors of the City and County of San Francisco;

(3) “Person” means any individual person, firm, partnership, association, corporation, company, organization, or legal entity of any kind;

Office workplace includes, but is not limited to, office spaces in office buildings, medical office waiting rooms, libraries, museums, hospitals and nursing homes;

(8) “Enclosed” means closed in by a roof and four walls with appropriate openings for ingress and egress and is not intended to mean areas commonly described as public lobbies.

Sec. 1003. Regulation of Smoking in the Office Workplace.

(1) Each employer who operates an office or offices in the city shall within three (3) months of adoption of this ordinance, adopt, implement and maintain a written Smoking Policy which shall contain, at a minimum, the following provisions and requirements:

(a) Any nonsmoking employee may object to his or her employer about smoke in his or her workplace. Using already available means of ventilation or separation or partition of office space, the employer shall attempt to reach a reasonable accommodation, insofar as possible, between the preferences of nonsmoking and smoking employees. However, an employer is not required by this ordinance to make any expenditures or structural changes to accommodate the preferences of nonsmoking or smoking employees.

(b) If an accommodation which is satisfactory to all
affected nonsmoking employees cannot be reached in any
given office workplace, the preferences of nonsmoking
employees shall prevail and the employer shall prohibit
smoking in that office workplace. Where the employer
prohibits smoking in an office workplace, the area in
which smoking is prohibited shall be clearly marked with
signs.

(2) The Smoking Policy shall be announced within
three (3) weeks of adoption to all employees working in
office workplaces in the city and posted conspicuously in
all workplaces under the employer's jurisdiction.

Sec. 1004. Where Smoking Not Regulated.

This Article is not intended to regulate smoking in the
following places and under the following conditions within
the city:

place;

government entities;

exclusively by smokers, even though such an office work-
place may be visted by nonsmokers, excepting places in
which smoking is prohibited by the fire marshal or by
other law, ordinance or regulation;

Sec. 1005. Penalties and Enforcement.

(1) The Director of Public Health shall enforce Section
1003 hereof against violations by either of the following
actions:

(a) Serving notice requiring the correction of any viola-
tion of this Article:

(b) Calling upon the City Attorney to maintain an
action for injunction to enforce the provisions of this
Article, to cause the correction of any such violation,
and for assessment and recovery of a civil penalty for
such violation;

(2) Any employer who violates Section 1003 hereof
may be liable for a civil penalty, not to exceed $500,
which penalty shall be assessed and recovered in a civil
action brought in the name of the People of the City and
County of San Francisco in any court of competent juris-
diction. Each day such violation is committed or permit-
ted to continue shall constitute a separate offense and
shall be punishable as such. Any penalty assessed and
recovered in an action brought pursuant to this paragraph
shall be paid to the Treasurer of the City and County of
San Francisco.

(3) In undertaking the enforcement of this ordinance,
the City and County of San Francisco is assuming an
undertaking only to promote the general welfare. It is
not assuming, nor is it imposing on its officers and
employees, an obligation for breach of which it is liable
in money damages to any person who claims that such
breach proximately caused injury.
