SAN FRANCISCO

BOARD OF DIRECTORS

RESOLUTION No. 11 - 155

WHEREAS, The SFMTA was recently awarded $6 million in grant funds to deploy electric taxis that will be specially manufactured battery-switch vehicles owned by the private firm Better Place; and,

WHEREAS, Better Place will be investing more than $10 million in the electric taxi project between 2011 and 2017, and intends to recover some portion of those costs through the collection of gate fees from drivers of electric taxis; and,

WHEREAS, Permit application and renewal fees could be waived in the case of these temporary electric vehicle medallions without any effect on the cost recovery of the medallion permit program; and,

WHEREAS, There is a need to specify the transferable nature of taxi medallions purchased through the Taxi Medallion Sales Pilot Program (Pilot Program), to specifically provide that medallion purchasers may re-sell their medallions at any time without qualifying by age or disability; and,

WHEREAS, Legislation is needed to clarify that once a seller declines an offer to sell their medallion they can be removed from the list of medallion sellers; and

WHEREAS, Enforceable standards for ramp taxi medallion holders and drivers are needed in order to improve the level of taxi service to wheelchair users in San Francisco; and

WHEREAS, Certain other amendments are needed to improve the administrative regulation of San Francisco taxi industry; now, therefore, be it

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors adopts amendments to Transportation Code Sections 1102, 1103, 1104, 1105, 1108, 1109, 1110, 1111 and 1116 of Article 1100 to require a Ramp Taxi Medallion Holder to make eight wheelchair pickups per month, change the expiration date for permits, exempt some electric vehicle taxi medallions from permit application and renewal fees, eliminate the provisions authorizing jitney permits, clarify that a holder of a purchased medallion may sell the purchased medallion regardless of age or disability status, provide that a qualified medallion seller will lose his or her eligibility to sell the medallion if he or she declines to execute a sales agreement within 15 days of notice that the SFMTA has located a qualified medallion buyer who is prepared to proceed with the sale, and reopen the pilot program to specified medallion holders; and amending Article 310 of Division II to include a fine for failure to make the required number of wheelchair pickups per month.

Members shall serve for a term of two years and shall serve at the pleasure of the Director of Transportation. In the event that a vacancy occurs during a member's term, the Director of Transportation shall appoint a successor for the unexpired term.

(3) The Advisory Council shall prepare and provide to the Director of Transportation, no later than March 31, 2011, a report containing its assessment of the Taxi Medallion Sales Pilot Program and its recommendations regarding a long-term Medallion Reform Program. The Advisory Council shall be staffed by personnel from the SFMTA Taxi Services.

(4) The Advisory Council shall terminate by operation of law two years after the date that all members have been appointed, unless the SFMTA Board by resolution extends the term of the Council.

   (1) Medallion Lender Qualification.

   (1) A Purchaser of a Medallion may enter into a loan agreement for the purchase of a Medallion only with a Qualified Lender. A Qualified Lender shall not assign, sell or otherwise transfer the Qualified Lender's rights under the loan agreement and ancillary
documents with respect to more than 90% of the original loan balance without the express, written consent of the Director of Transportation.

(2) A Qualified Lender must be a financial institution chartered by a state government or the federal government, and may not impose any penalties or otherwise constrain the payment of the balance owed on the loan prior to the expiration of the loan term. The Director of Transportation shall adopt rules setting forth additional requirements for designation by the SFMTA as a Qualified Lender. If the SFMTA determines that a lender has failed to meet or maintain the requirements to be a Qualified Lender, the SFMTA shall deny the application to become a Qualified Lender or suspend or revoke the lender's current status as a Qualified Lender.

(3) All Qualified Lenders must enter into a written agreement with the SFMTA, in a form approved by the SFMTA. The agreement shall include, at a minimum, the Qualified Lender's acknowledgement of the provisions of this Section, the Qualified Lender's agreement to be bound by these provisions, and the SFMTA's promise not to set the Medallion Sale Price below the highest Medallion Sale Price paid by a Medallion Holder to whom a Qualified Lender made a loan that is still outstanding.

(m) Security Interests.

(1) Qualified Lender's Security Interest. Notwithstanding any other provisions herein to the contrary, a Medallion Purchaser may encumber a Medallion with a security interest pursuant to an agreement entered into with a Qualified Lender to finance the purchase of the Medallion.

(2) Filing Security Interests. A Qualified Lender wishing to evidence a security interest in a Taxi Medallion shall file a notice of the security interest with the SFMTA in a form approved by the SFMTA within ten business days of closing the relevant loan transaction, and shall provide to the SFMTA a copy of the promissory note, loan agreement,
security agreement, any other underlying contracts or documents memorializing the terms and conditions of the debt that is secured by the Medallion, and any documents memorializing the perfection of the security interest. The SFMTA will not recognize any security interest in a Medallion that is not filed and reported in compliance with this rule.

(3) Release of Secured Interest. Upon repayment of the loan secured by an interest in a Medallion, the Qualified Lender must file notice of release of the secured interest within five business days of the release with the SFMTA along with any underlying contracts or documents memorializing the terms and conditions of the release.

(n) Foreclosure and Transfer of Medallion.

(1) If the Purchaser defaults under the agreement with the Qualified Lender beyond any applicable notice and cure period, notwithstanding any other provisions herein to the contrary, the Qualified Lender may foreclose upon its security interest and possess the foreclosed Medallion as an owner of the Medallion with full right, title, and interest thereto, except that Lender shall not be permitted to operate the Medallion. If the Qualified Lender intends to foreclose on the security interest, the qualified Lender shall notify the SFMTA without delay once the Qualified Lender determines the date on which it intends to foreclose. The notice shall include the name of the Medallion Holder, the intended date of foreclosure, and the contact information for the representative of the Qualified Lender to whom inquiries may be made.

(2) Provided that the Qualified Lender has provided notice to the SFMTA under Section 1116(n)(1), upon foreclosure in accordance with applicable law and the terms of the security agreement between the Qualified Lender and the Medallion Holder, the Qualified Lender may sell the Medallion pursuant to the provisions of this Section to the Qualified Purchaser identified by the SFMTA at the Medallion Sales Price. After deducting amounts payable to the SFMTA, the Qualified Lender shall retain sufficient proceeds of such
sale to satisfy Medallion Holder's debt to the Qualified Lender as determined by reference to
the unpaid balance under the loan agreement between the Medallion Holder and the Qualified
Lender. The Qualified Lender shall then, without delay, remit the amount payable to the
SFMTA.

(o) Disciplinary Revocation and Resale.

(1) In the event that the SFMTA brings disciplinary revocation proceedings
against a Medallion that has been sold in accordance with this Section, the SFMTA shall
provide notice of the filing of such proceedings to any Qualified Lender holding a secured
interest in the Medallion if the Qualified Lender has complied with all notice and reporting
requirements of this Section.

(2) Disciplinary revocation of a Medallion shall not affect the validity of the
lien of a Qualified Lender against the Medallion. Resale of the Medallion after revocation for
any reason shall be subject to the lien of the Qualified Lender.

(3) Conduct of Sale. Upon revocation for any reason, the SFMTA shall
identify the next qualified applicant and proceed to sell the Medallion in accordance with the
procedures set forth in this Section.

(4) Disbursement of Sale Proceeds. At the time of sale of the revoked
Medallion, the outstanding balance of the loan secured by a secured interest of a Qualified
Lender in such Medallion on file with the SFMTA shall be satisfied with the Medallion sale
proceeds after deducting the expenses of the sale and the Medallion Sale Transfer Fee and
the Driver Fund Transfer Fee. Any remaining proceeds shall be disbursed to the former
Medallion Holder or his or her designees.

(5) Continued Operation During Resale. Upon revocation of the Medallion,
the SFMTA shall repossess and sell the Medallion. If the Medallion cannot be repossessed,
the SFMTA shall issue a temporary Medallion to replace the Medallion during the pendency of
the resale. The Medallion need not be in the possession of the SFMTA in order to proceed with resale. Upon revocation, and until the Medallion is transferred to a new Medallion Holder, the Medallion shall continue to be operated by the Participating Color Scheme with which it is affiliated.

(p) Participating Color Schemes. Any Color Scheme Permit Holder who wishes to participate in the Taxi Medallion Sales Pilot Program as a Participating Color Scheme must enter into a written agreement with the SFMTA. The agreement shall include, but need not be limited to, the agreement of the Color Scheme Permit Holder to allow Medallions purchased under this Section to affiliate with the Color Scheme in accordance with all applicable rules and regulations, and to continue to operate any such affiliated Medallion during the period commencing on the revocation of such Medallion and ending on the resale of the Medallion, and at any other time upon the request of the SFMTA. During such periods of operation, the Color Scheme shall continue to make the payments that would otherwise have been payable to the Medallion Holder to the SFMTA in accordance with the agreement between the SFMTA and Participating Color Schemes.
