BOARD OF DIRECTORS

RESOLUTION No. 14-079

WHEREAS, On November 18, 2008, the SFMTA Board approved Resolution No. 08-192, which established the SFpark pilot project; and

WHEREAS, The SFpark pilot project was launched in April 2011 to test demand-responsive parking pricing, longer parking time limits, broadcasting real-time parking data, and to utilize new parking meter and parking sensor technologies; and

WHEREAS, The SFpark pilot project includes about 7,000 parking spaces, or about 25 percent of total metered spaces in the city; 15 of the 19 SFMTA-managed parking garages; and one of the 19 SFMTA-managed parking lots; and

WHEREAS, The SFpark pilot project concludes on June 30, 2014; and

WHEREAS, Preliminary results from the SFpark pilot project evaluation indicate that the tools utilized by the program, which include demand-responsive pricing and providing parking price and availability information to the public through the SFMTA’s website and smart phone app, achieved many of the project’s parking management goals such as making more parking available, reducing circling for on-street parking, making on-street and off-street parking easier to locate, making on-street parking easier to pay for, and reducing peak-time entries and exits to parking garages while increasing overall use of garages; and

WHEREAS, Continuation of the SFpark program will enable the continuation of all of the benefits enumerated above; and

WHEREAS, Continuation of the SFpark program will avoid reverting all on-street parking meter and off-street garage rates and time limits in SFpark areas to their pre-SFpark levels; and

WHEREAS, Adding several garages and lots to the SFpark program will allow the SFMTA to expand the benefits of the program, including improved utilization of garages, reduced peak-time entries and exits, and sustained revenue growth, to those additional locations; and

WHEREAS, SFMTA staff proposes to continue SFpark Parking Meter Zone Number Five meter and special event rates at their current geographic locations; and

WHEREAS, State law recently changed to require that local authorities identify the criteria for setting variable parking meter rates; and

WHEREAS, SFMTA staff proposes to include the North Beach, Polk-Bush, SF General Hospital, and Vallejo Street parking garages, and SF General Hospital and 7th & Harrison parking lots in the SFpark program; and
WHEREAS, SFMTA staff proposes to delegate authority to the Director of Transportation to make rate adjustments at North Beach, Polk-Bush, SF General Hospital, and Vallejo Street parking garages, and SF General Hospital and 7th & Harrison parking lots based on the SFPark program’s demand-responsive pricing effective July 1, 2014; and

WHEREAS, SFMTA staff proposes to delegate authority to the Director of Transportation to determine parking meter rates, times and days for enforcement, maximum time period permitted to park, and parking meter technology to be used in SFPark Parking Meter Zone Number Five; and

WHEREAS, Pursuant Charter Section 16.112 and the SFMTA Board’s Rules of Order, advertisements were placed in the City’s official newspaper, the San Francisco Chronicle, to provide published notice of the May 20 public hearing which ran starting on May 1, 2014, for five consecutive days; and

WHEREAS, The Planning Department has determined that the continuation of SFPark Parking Meter Zone Number Five meter and special event rates at their current geographic locations, and authorizing the Director of Transportation to make rate adjustments at the North Beach, Polk-Bush, SF General Hospital, and Vallejo Street parking garages, and SF General Hospital and 7th & Harrison parking lots based on the SFPark program’s demand-responsive pricing effective July 1, 2014 are statutorily exempt from environmental review pursuant to California Public Resources Code section 21080(b)(8) and CEQA implementing guidelines; and

WHEREAS, Said CEQA determination is on file with the Secretary to the SFMTA and is incorporated herein by this reference. The proposed action is the Approval Action as defined by the S.F. Administrative Code Chapter 31; now, therefore, be it

RESOLVED, That the SFMTA Board of Directors amends Transportation Code, Division II, Section 412 to continue SFPark Parking Meter Zone Number Five meter and special event rates at their current geographic locations; and, be it further
