

Virginia Basic Code

*A low-cost code of ordinances
for smaller cities and towns*

Published by

American Legal

Publishing and

the Virginia

Municipal League

The **Virginia Basic Code** is a complete model code of ordinances designed specifically for small cities and towns in Virginia. By utilizing the concept of *shared cost* to provide an economic alternative for codification, it allows Virginia towns to enjoy the benefits of codification without the substantial expense of a customized code.

Sample Provisions

The Virginia Basic Code contains provisions on subjects typically encountered by towns, including:

- Administration
- Traffic Regulations
- Streets and Sidewalks
- Nuisances
- General Offenses
- Business Regulations
- Peddler and Solicitor Regulations
- Taxation
- Animal Regulations
- Fire Prevention
- And much more

Based on State Law

Most sections are based directly on Virginia law or on model ordinances drafted by American Legal Publishing and reviewed by the Virginia Municipal League. In addition, the Virginia Basic Code is *updated annually* to incorporate state law enactments, deletions, and amendments, keeping your town current with changes in Virginia law.

Features and Pricing

By subscribing to and adopting the Virginia Basic Code for a cost of \$995, your town can have all of your important ordinances at your fingertips in one easy-to-use loose-leaf book. The Virginia Basic Code has a comprehensive index. It also contains a separate code title reserved for incorporating *unique local ordinances* specific to your town or not covered by the Basic Code. The Virginia Basic Code is updated annually for a cost of approximately \$400.
