SEC. 20.33. FRANCHISE.

- (a) **Franchise Required.** Other than the City, it shall be unlawful for any Person, unless specifically required by Applicable Laws, to construct, install, operate or maintain a Cable System or to offer Cable Service in the City, unless such Person or the Person for whom such action is being taken shall have first obtained and shall currently hold a valid franchise. Grantee promises and guarantees, as a condition of exercising the privileges granted by this Franchise, that any Affiliated Entity of the Grantee involved in the offering of Cable Service in the City, or directly involved in the ownership, management or operation of the Cable System in the City, shall also comply with all obligations of this Franchise. However, the City and Grantee acknowledge that QC will be primarily responsible for the construction and installation of the facilities in the Rights-of-Way which will be utilized by Grantee to provide Cable Services. So long as QC does not provide Cable Service to Subscribers in the City, QC will not be subject to the terms and conditions contained in this Franchise. QC's installation and maintenance of facilities in the Rights-of-Way is governed by applicable local, state and federal law. To the extent Grantee constructs and installs facilities in the Rights-of-Way, such installation will be subject to the terms and conditions contained in this Franchise. Grantee is responsible for all provisions in this Franchise related to: 1) its offering of Cable Services in the City; and 2) the operation of the Cable System regardless of what entity owns or constructs the facilities used to provide the Cable Service. The City and Grantee agree that to the extent QC violates any applicable federal, state, or local laws, rules, and regulations, the City shall first seek compliance directly from QC. In the event the City cannot resolve these violations or disputes with QC, then the City may look to Grantee to ensure such compliance. Failure by Grantee to ensure QC's or any other Affiliate's compliance with applicable local, state and federal laws, rules, and regulations, shall be deemed a material breach of this Franchise by Grantee.
- (b) **Grant of Franchise.** The City hereby authorizes Grantee to occupy or use the City's Streets subject to: 1) the provisions of this non-exclusive Franchise to provide Cable Service within the City; and 2) all applicable provisions of the City Code. Said Franchise shall constitute both a right and an obligation to provide Cable Services as required by the provisions of this Franchise. Nothing in this Franchise shall be construed to prohibit Grantee from: (1) providing services other than Cable Services to the extent not prohibited by Applicable Law; or (2) challenging any exercise of the City's legislative or regulatory authority in an appropriate forum. The City hereby reserves all of its rights to regulate such other services to the extent not prohibited by Applicable Law and no provision herein shall be construed to limit or give up any right to regulate.
- (c) **Reservation of Authority.** The Grantee specifically agrees to comply with the lawful provisions of the City Code and applicable regulations of the City. Subject to the police power exception below, in the event of a conflict between A) the lawful provisions of the City Code or applicable regulations of the City and B) this Franchise, the express provisions of this Franchise shall govern. Subject to express federal and state preemption, the material terms and conditions contained in this Franchise may not be unilaterally altered by the City through subsequent amendments to the City Code, ordinances or any regulation of City, except in the lawful exercise of City's police power. Grantee acknowledges that the City may modify its regulatory policies by lawful exercise of the City's police powers throughout the term of this Franchise. Grantee agrees to comply with such lawful modifications to the City Code; however, Grantee reserves all rights it may have to challenge such modifications to the City Code whether arising in contract or at law. The City reserves all of its rights and defenses to such challenges whether arising in contract or at law. Nothing in this Franchise shall (A) abrogate the right of the City to perform any public works or public improvements of any description, (B) be construed as a waiver of any codes or ordinances of general applicability promulgated by the City, or (C) be construed as a waiver or release of the rights of the City in and to the Streets.

- (d) **Franchise Term.** This Franchise shall be in effect for a term of five (5) years from the Effective Date, unless terminated sooner as hereinafter provided. Six months (6) prior to the expiration of the initial five (5) year term, if City determines that Grantee is in compliance with all other material terms of this Franchise including the build out obligations set forth in this Franchise as required by Applicable Law, the City shall have the unilateral right to extend the Franchise for an additional term of no less than five (5) years and no more than ten (10) years.
- (e) **Franchise Area.** The Grantee is hereby authorized to provide Cable Services over a Cable System within the jurisdictional boundaries of the City, including any areas annexed by the City during the term of this Franchise. The parties acknowledge that Grantee is not the first entrant into the wireline video market in the City. The Grantee acknowledges that the City desires wireline competition throughout the entire City so all residents may receive the benefits of competitive Cable Services. Grantee aspires to provide Cable Service to all households within the City by the end of the five (5) year term of this Franchise. Grantee agrees that its deployment of Cable Service in the City will be geographically dispersed throughout the City, and shall be made available to diverse residential neighborhoods of the City without discrimination. This Franchise governs any Cable Services provided by Grantee to residential and commercial Subscribers.
- (f) **Initial Build Out.** No later than the second anniversary of the Effective Date of this Franchise, Grantee shall be capable of serving a minimum of fifteen percent (15%) of the City's households with Cable Service; provided, however, Grantee will make its best efforts to complete such deployment within a shorter period of time. Grantee commits that a material and substantial portion of its investment and its deployment of Cable Services in the City, whether mandated by Section 2.8 below or on a voluntary basis, will be targeted to U. S. Census areas with the highest percentage of households below the City's median household income. Nothing in this Franchise shall restrict Grantee from serving additional households in the City with Cable Service.
- (g) **Quarterly Meetings.** In order to permit the City to monitor and enforce the provisions of this section and other provisions of this Franchise, the Grantee shall, upon demand, promptly make available to the City maps and other documentation showing exactly where within the City the Grantee is currently providing Cable Service. Grantee shall meet with the City, not less than once quarterly, to demonstrate Grantee's compliance with the provisions of this section concerning the deployment of Cable Services in the City including, by way of example, the provision of Section 20.33 (f) in which Grantee commits that a significant portion of its initial investment and its deployment of Cable Services in the City will be targeted to U. S. Census areas with the highest percentage of households below the City's median household income, and the provisions of Sections 20.33 (e) and 20.48 (i) that prohibit discrimination in the deployment of Cable Services on the basis of the income level of the residents. In order to permit the City to monitor and enforce the provisions of this section and other provisions of this Franchise, the Grantee shall, commencing on or about January 15, 2016, and continuing throughout the term of this Franchise, meet quarterly with the City and make available reports and maps showing the City the following information:
- (1) The total number of Living Units throughout the City;
 - (2) The total number of Qualified Living Units;
 - (3) Information demonstrating Grantee commitment that a significant portion of Grantee's initial investment and Grantee's deployment of Cable Services in the City has been targeted to U. S. Census areas with the highest percentage of households below the City's median household income; and
 - (4) A list of the public buildings and educational institutions that are Qualified Living Units in the City.
- (h) **Additional Build-Out Based on Market Success.** If, at any quarterly meeting, including any quarterly meeting prior to the second anniversary of the Effective Date of this Franchise as referenced in Section 20.33 (f) herein, Grantee is actually serving twenty seven and one-half percent (27.5%) of the households capable of receiving Cable Service, then Grantee agrees the minimum build-out commitment shall increase to include all of the households then capable of receiving Cable Service plus an additional fifteen (15%) of the total households in the City, which Grantee agrees to serve within two (2) years from the quarterly meeting; provided, however, the Grantee shall make its best efforts to complete such deployment within a shorter period of time. For example, if, at a quarterly meeting with the City, Grantee shows that it is capable of serving sixty percent (60%) of the households in the City with Cable Service and is actually serving thirty percent (30%) of those households with Cable Service, then Grantee will agree to serve an

additional fifteen percent (15%) of the total households in the City no later than two (2) years after that quarterly meeting (a total of seventy-five percent (75%) of the total households). This additional build-out based on market success shall continue until every household in the City is served.

- (i) **Franchise Nonexclusive.** The Franchise granted herein shall be nonexclusive. The City specifically reserves the right to grant, at any time, such additional franchises for a Cable System as it deems appropriate provided, however, such additional grants shall not operate to materially modify, revoke, or terminate any rights previously granted to Grantee other than as described in Section 20.48 (r). The grant of any additional franchise shall not of itself be deemed to constitute a modification, revocation, or termination of rights previously granted to Grantee. Any additional cable franchise grants shall comply with Minn. Stat. §238.08 and any other applicable federal level playing field requirements.
- (j) **Periodic Public Review of Franchise.** Within sixty (60) Days of the third (3rd) and, if applicable, sixth (6th) annual anniversary of the Effective Date of this Franchise, the City may conduct a public review of the Franchise. The purpose of any such review shall be to ensure, with the benefit of full opportunity for public comment, that the Grantee continues to effectively serve the public in the light of new developments in cable law and regulation, cable technology, cable company performance with the requirements of this Franchise, local regulatory environment, community needs and interests, competition, and other such factors. Both the City and Grantee agree to make a full and good faith effort to participate in the review. So long as Grantee receives reasonable notice, Grantee shall participate in the review process and shall fully cooperate. The review shall not operate to modify or change any provision of this Franchise without mutual written consent in accordance with Section 20.48 (g) of this Franchise.
- (k) **Expiration.** Upon expiration of the Franchise, the City shall have the right at its own election and subject to Grantee's rights under Section 626 of the Cable Act to:

 - (1) extend the Franchise, though nothing in this provision shall be construed to require such extension;
 - (2) renew the Franchise, in accordance with Applicable Laws;
 - (3) invite additional franchise applications or proposals;
 - (4) terminate the Franchise subject to any rights Grantee has under Section 626 of the Cable Act; or
 - (5) take such other action as the City deems appropriate.
- (l) **Right to Require Removal of Property.** At the expiration of the term for which the Franchise is granted provided no renewal is granted, or upon its forfeiture or revocation as provided for herein, the City shall have the right to require Grantee to remove at Grantee's own expense all or any part of the Cable System used exclusively for the provision of Cable Service from all Streets and public ways within the Franchise Area within a reasonable time. If Grantee fails to do so, the City may perform the work and collect the cost thereof from Grantee.
- (m) **Continuity of Service Mandatory.** It shall be the right of all Subscribers to receive all available services insofar as their financial and other obligations to Grantee are honored. In the event that Grantee elects to overbuild, rebuild, modify, or sell the system, or the City revokes or fails to renew the Franchise, Grantee shall make its best effort to ensure that all Subscribers receive continuous uninterrupted service, regardless of the circumstances, during the lifetime of the Franchise. In the event of expiration, purchase, lease-purchase, condemnation, acquisition, taking over or holding of plant and equipment, sale, lease, or other transfer to any other Person, including any other grantee of a cable communications franchise, the current Grantee shall cooperate fully to operate the system in accordance with the terms and conditions of this Franchise for a temporary period sufficient in length to maintain continuity of service to all Subscribers.

SEC. 20.34. OPERATION IN STREETS AND RIGHTS-OF-WAY.

(a) Use of Streets.

- (1) Grantee may, subject to the terms of this Franchise, including Section 20.33 (a), erect, install, construct, repair, replace, reconstruct and retain in, on, over, under, upon, across and along the Streets within the City such lines, cables, conductors, ducts, conduits, vaults, manholes, amplifiers, appliances, pedestals, attachments and other property and equipment as are necessary and appurtenant to the operation of a Cable System within the City.

Without limiting the foregoing, Grantee expressly agrees that it will construct, operate and maintain its Cable System in compliance with, and subject to, the requirements of the City Code, including by way of example and not limitation, those requirements governing the placement of Grantee's Cable System; and with other applicable City Codes, and will obtain and maintain all permits and bonds required by the City Code in addition to those required in this Franchise.

- (2) All wires, conduits, cable and other property and facilities of Grantee shall be so located, constructed, installed and maintained as not to endanger or unnecessarily interfere with the usual and customary trade, traffic and travel upon, or other use of the Streets of City. Grantee shall keep and maintain all of its property in good condition, order and repair so that the same shall not menace or endanger the life or property of any Person. Grantee shall keep accurate maps and records of all of its wires, conduits, cables and other property and facilities located, constructed and maintained in the City.
 - (3) All wires, conduits, cables and other property and facilities of Grantee, shall be constructed and installed in an orderly and workmanlike manner. All wires, conduits and cables shall be installed, where possible, parallel with electric and telephone lines. Multiple cable configurations shall be arranged in parallel and bundled with due respect for engineering considerations.
- (b) **Construction or Alteration.** Grantee shall in all cases comply with the City Code, City resolutions and City regulations regarding the acquisition of permits and/or such other items as may be reasonably required in order to construct, alter or maintain the Cable System. Grantee shall, upon request, provide information to the City regarding its progress in constructing or altering the Cable System.
- (1) **System Construction and Equipment Standards.** The Cable System shall be installed and maintained in accordance with standard good engineering practices, and shall conform when applicable with the National Electrical Safety Code, the National Electrical Code and the FCC's Rules and Regulations.
 - (2) **Quality and Workmanship.** The Cable System constructed or erected by Grantee shall be of good quality and workmanship and shall be maintained in good repair and efficiency.
- (c) **Non-Interference.** Grantee shall exert its best efforts to construct and maintain a Cable System so as not to interfere with other use of Streets. Grantee shall, where possible in the case of above ground lines, make use of existing poles and other facilities available to Grantee. When residents receiving underground service or who will be receiving underground service will be affected by proposed construction or alteration, Grantee shall provide such notice as set forth in the permit or in City Code of the same to such affected residents.
- (d) **Consistency with Designated Use.** Notwithstanding the above grant to use Streets, no Street shall be used by Grantee if the City, in its sole opinion, determines that such use is inconsistent with the terms, conditions or provisions by which such Street was created or dedicated, or presently used under Applicable Laws.
- (e) **Undergrounding.** Grantee shall place underground all of its transmission lines which are located or are to be located above or within the Streets of the City in the following cases:
- (1) all other existing utilities are required to be placed underground by statute, resolution, policy or other Applicable Law;
 - (2) Grantee is unable to get pole clearance;
 - (3) underground easements are obtained from developers of new residential areas; or
 - (4) utilities are overhead but residents prefer underground (service provided at cost).

If an ordinance is passed which involves placing underground certain utilities including Grantee's cable plant which is then located overhead, Grantee shall participate in such underground project and shall remove its poles, cables and overhead wires if requested to do so and place facilities underground. Nothing herein shall mandate that City provide reimbursement to Grantee for the costs of such relocation and removal. However, if the City makes available funds for the cost of placing facilities underground, nothing herein shall preclude the Grantee from participating in such funding to the extent consistent with the City Code or Applicable Laws.

Grantee shall use conduit or its functional equivalent to the greatest extent possible for undergrounding, except for Drops from pedestals to Subscribers' homes and for cable on other private property where the owner requests that conduit not be used. Cable and conduit shall be utilized which

meets the highest industry standards for electronic performance and resistance to interference or damage from environmental factors. Grantee shall use, in conjunction with other utility companies or providers, common trenches for underground construction wherever available.

(f) Maintenance and Restoration.

- (1) Restoration. In case of disturbance of any Street, public way, paved area or public improvement, Grantee shall, at its own cost and expense and in accordance with the requirements of Applicable Law, restore such Street, public way, paved area or public improvement to substantially the same condition as existed before the work involving such disturbance took place. All requirements of this section pertaining to public property shall also apply to the restoration of private easements and other private property. Grantee shall perform all restoration work within a reasonable time and with due regard to seasonal working conditions. If Grantee fails, neglects or refuses to make restorations as required under this section, then the City may do such work or cause it to be done, and the cost thereof to the City shall be paid by Grantee. If Grantee causes any damage to private property in the process of restoring facilities, Grantee shall repair such damage.
- (2) Maintenance. Grantee shall maintain all above ground improvements that it places on City right-of-way pursuant to the City Code and any permit issued by the City. In order to avoid interference with the City's ability to maintain the right-of-way, Grantee shall provide such clearance as is required by the City Code and any permit issued by the City. If Grantee fails to comply with this provision, and by its failure property is damaged, Grantee shall be responsible for all damages caused thereby.
- (3) Disputes. In any dispute over the adequacy of restoration or maintenance relative to this section, final determination shall be the prerogative of the City, Department of Public Works and consistent with the City Code and any permit issued by the City.

(g) Work on Private Property. Grantee, with the consent of property owners, shall have the authority, pursuant to the City Code, to trim trees upon and overhanging Streets, alleys, sidewalks, and public ways so as to prevent the branches of such trees from coming in contact with the wires and cables of Grantee, except that at the option of the City, such trimming may be done by it or under its supervision and direction at the reasonable expense of Grantee.

(h) Protection of facilities. Nothing contained in this section shall relieve any Person from liability arising out of the failure to exercise reasonable care to avoid damaging Grantee's facilities while performing any work connected with grading, regrading or changing the line of any rights-of-way or public place or the construction or reconstruction of any sewer or water system.

(i) Relocation.

- (1) City Property. If, during the term of the Franchise, the City or any government entity elects or requires a third party to alter, repair, realign, abandon, improve, vacate, reroute or change the grade of any Street, public way or other public property; or to construct, maintain or repair any public improvement; or to replace, repair install, maintain, or otherwise alter any cable, wire conduit, pipe, line, pole, wire-holding structure, structure, or other facility, including a facility used for the provision of utility or other services or transportation of drainage, sewage or other liquids, for any public purpose, Grantee shall, upon request, except as otherwise hereinafter provided, at its sole expense remove or relocate as necessary its poles, wires, cables, underground conduits, vaults, pedestals, manholes and any other facilities which it has installed. Nothing herein shall mandate that City provide reimbursement to Grantee for the costs of such relocation and removal. However, if the City makes available funds for the cost of placing facilities underground, nothing herein shall preclude the Grantee from participating in such funding to the extent consistent with the City Code or Applicable Laws.
- (2) Utilities and Other Franchisees. If, during the term of the Franchise, another entity which holds a franchise or any utility requests Grantee to remove or relocate such facilities to accommodate the construction, maintenance or repair of the requesting party's facilities, or their more efficient use, or to "make ready" the requesting party's facilities for use by others, or because Grantee is using a facility which the requesting party has a right or duty to remove, Grantee shall do so. The companies involved may decide among themselves who is to bear the cost of removal or relocation, pursuant to City Code, and provided that the City shall not be liable for such costs.

- (3) Notice to Remove or Relocate. Any Person requesting Grantee to remove or relocate its facilities shall give Grantee no less than forty-five (45) Days' advance written notice to Grantee advising Grantee of the date or dates removal or relocation is to be undertaken; provided, that no advance written notice shall be required in emergencies or in cases where public health and safety or property is endangered.
- (4) Failure by Grantee to Remove or Relocate. If Grantee fails, neglects or refuses to remove or relocate its facilities as directed by the City; or in emergencies or where public health and safety or property is endangered, the City may do such work or cause it to be done, and the cost thereof to the City shall be paid by Grantee. If Grantee fails, neglects or refuses to remove or relocate its facilities as directed by another franchisee or utility, that franchisee or utility may do such work or cause it to be done, and if Grantee would have been liable for the cost of performing such work, the cost thereof to the party performing the work or having the work performed shall be paid by Grantee.
- (5) Procedure for Removal of Cable. Grantee shall not remove any underground cable or conduit which requires trenching or other opening of the Streets along the extension of cable to be removed, except as hereinafter provided. Grantee may remove any underground cable from the Streets which has been installed in such a manner that it can be removed without trenching or other opening of the Streets along the extension of cable to be removed. Subject to Applicable Law, Grantee shall remove, at its sole cost and expense, any underground cable or conduit by trenching or opening of the Streets along the extension thereof or otherwise which is ordered to be removed by the City based upon a determination, in the sole discretion of the City, that removal is required in order to eliminate or prevent a hazardous condition. Underground cable and conduit in the Streets which is not removed shall be deemed abandoned and title thereto shall be vested in the City.
- (6) Movement of Buildings. Grantee shall, upon request by any Person holding a building moving permit, franchise or other approval issued by the City, temporarily remove, raise or lower its wire to permit the movement of buildings. The expense of such removal, raising or lowering shall be paid by the Person requesting same, and Grantee shall be authorized to require such payment in advance. The City shall require all building movers to provide not less than fifteen (15) Days' notice to the cable company to arrange for such temporary wire changes.
- (j) **System Maps and Layout.** Grantee shall maintain complete and accurate system maps, which shall include trunks, distribution lines, and nodes. Such maps shall include up-to-date route maps showing the location of the Cable System adjacent to the Streets. The obligations of this section may, in City's sole discretion, be satisfied by the quarterly meetings of Section 20.33 (g). Within ninety (90) Days of the Effective Date of this Franchise, and upon request thereafter in the event of any alterations, Grantee shall provide a map to the City in an electronic format mutually acceptable to the Grantee and the City. The level of detail in maps provided by Grantee shall be limited to that which is needed for the City's administration of the Streets.

SEC. 20.35. SALE, TRANSFER, REMOVAL OR ABANDONMENT OF SYSTEM.

- (a) **City's Right to Purchase System.** The City shall have a right of first refusal to purchase the Cable System utilized exclusively for the provision of Cable Service in the event the Grantee receives a bona fide offer to purchase the Cable System from any Person. Bona fide offer as used in this section means a written offer which has been accepted by Grantee, subject to the City's rights under this Franchise. The price to be paid by the City shall be the amount provided for in the bona fide offer, including the same terms and conditions as the bona fide offer. The City shall notify Grantee of its decision to purchase within sixty (60) Days of the City's receipt from Grantee of a copy of the written bona fide offer and such other relevant and pertinent information as the City shall deem appropriate.
- (b) **Transfer of Ownership.**
 - (1) No sale, transfer, assignment or "fundamental corporate change", as defined in Minn. Stat. § 238.083, of this Franchise shall take place until the parties to the sale, transfer, or fundamental corporate change files a written request with City for its approval, provided, however, that said approval shall not be required for a transfer of an ownership or other interest in Grantee to the parent of Grantee or to another Affiliate of Grantee; transfer of an interest in the Franchise or the rights held by Grantee under the Franchise to the parent of

Grantee or to another Affiliate of Grantee; any action which is the result of a merger of the parent of Grantee; or any action which is the result of a merger of another Affiliate of Grantee. However, nothing in this Section 20.35 (b) shall be read to serve as a waiver of Grantee's obligation to obtain the City's advance written consent to any proposed transfer that constitutes a change in the "controlling interest" of the Grantee as set forth Minn. Stat. § 238.083.

- (2) City shall have thirty (30) Days from the time of the request to reply in writing and indicate approval of the request or its determination that a public hearing is necessary due to potential adverse effect on Grantee's Subscribers resulting from the sale or transfer. Such approval or determination shall be expressed in writing within thirty (30) Days of receipt of said request, or the request shall be deemed approved as a matter of law.
 - (3) If a public hearing is deemed necessary pursuant to (b) above, such hearing shall be commenced within thirty (30) Days of such determination and notice of any such hearing shall be given in accordance with local law or fourteen (14) Days prior to the hearing by publishing notice thereof once in a newspaper of general circulation in City. The notice shall contain the date, time and place of the hearing and shall briefly state the substance of the action to be considered by City.
 - (4) Within thirty (30) Days after the closing of the public hearing, City shall approve or deny in writing the sale or transfer request. City shall set forth in writing with particularity its reason(s) for denying approval. City shall not unreasonably withhold its approval.
 - (5) The parties to the sale or transfer of the Franchise only, without the inclusion of the System in which substantial construction has commenced, shall establish that the sale or transfer of only the Franchise will be in the public interest.
 - (6) Any sale or transfer of stock in Grantee so as to create a new controlling interest in the System shall be subject to the requirements of this Section 20.35 (b). The term "controlling interest" as used herein is not limited to majority stock ownership, but includes actual working control in whatever manner exercised.
 - (7) In no event shall a transfer or assignment of ownership or control be approved without the transferee becoming a signatory to this Franchise and assuming all rights and obligations thereunder, and assuming all other rights and obligations of the transferor to the City.
 - (8) In the event of any proposed sale or assignment pursuant to paragraph (a) of this section, City shall have the right of first refusal of any bona fide offer to purchase the Cable System utilized exclusively for the provision of Cable Service. Bona fide offer, as used in this section, means an offer received by the Grantee which it intends to accept subject to City's rights under this section. This written offer must be conveyed to City along with the Grantee's written acceptance of the offer contingent upon the rights of City provided for in this section. City shall be deemed to have waived its rights under this paragraph (h) in the following circumstances:
 - (A) If it does not indicate to Grantee in writing, within thirty (30) Days of notice of a proposed sale or assignment, its intention to exercise its right of purchase; or
 - (B) It approves the assignment or sale of the Franchise as provided within this section.
- (c) **Removal of Cable System.** In the event that: (1) the use of the Cable System is discontinued for any reason for a continuous period of twelve (12) months; or (2) the Cable System has been installed in a Street without complying with the requirements of this Franchise, Grantee, at its expense shall, at the demand of the City remove promptly from the Streets all of the Cable System utilized exclusively for the provision of Cable Service other than any which the City may permit to be abandoned in place. In the event of any such removal Grantee shall promptly restore the Street to a condition as nearly as possible to its prior condition the Street or other public places in the City from which the System has been removed in accordance with all requirements of the City Code.
- (d) **Abandonment of Cable System.** In the event of Grantee's abandonment of the Cable System, City shall have the right to require Grantee to conform to the state right-of-way rules, Minn. Rules, Chapter 7819. The Cable System to be abandoned in place shall be abandoned in the manner prescribed by the City. Grantee may not abandon any portion of the System utilized exclusively for the provision of Cable Service without having first given three (3) months written notice to the City. Grantee may not abandon any portion of the System utilized exclusively for the provision of Cable Service without compensating the City for damages resulting from the abandonment.

- (e) **Removal after Abandonment or Termination.** If Grantee has failed to commence removal of System used exclusively for the provision of Cable Services, or such part thereof as was designated by City, within thirty (30) Days after written notice of City's demand for removal consistent with Minn. Rules, Ch. 7819, is given, or if Grantee has failed to complete such removal within twelve (12) months after written notice of City's demand for removal is given, City shall have the right to apply funds secured by the letter of credit and performance bond toward removal and/or declare all right, title, and interest to the Cable System to be in City with all rights of ownership including, but not limited to, the right to operate the Cable System or transfer the Cable System to another for operation by it.
- (f) **City Options for Failure to Remove Cable System.** If Grantee has failed to complete such removal within the time given after written notice of the City's demand for removal is given, the City shall have the right to exercise one of the following options:
- (1) Declare all right, title and interest to the System to be in the City or its designee with all rights of ownership including, but not limited to, the right to operate the System or transfer the System to another for operation by it; or
 - (2) Declare the System abandoned and cause the System, or such part thereof as the City shall designate, to be removed at no cost to the City. The cost of said removal shall be recoverable from the security fund, indemnity and penalty section provided for in this Franchise or from Grantee directly.
 - (3) Upon termination of service to any Subscriber, Grantee shall promptly remove all its facilities and equipment (excluding Set Top Boxes and remotes) from within the dwelling of a Subscriber who owns such dwelling upon his or her written request, except as provided by Applicable Law. Such Subscribers shall be responsible for any costs incurred by Grantee in removing the facilities and equipment.

SEC. 20.36. SYSTEM DESIGN AND CAPACITY.

(a) **Availability of Signals and Equipment.**

- (1) The Cable System shall have a bandwidth capable of providing the equivalent of a typical 750 MHz Cable System. Recognizing that the City has limited authority under federal law to designate the technical method by which Grantee provides Cable Service, as of the Effective Date of this Franchise, Grantee provides its Cable Service utilizing two (2) different methods. First, using a PON platform, the Grantee provides Cable Service to some Qualified Living Units by connecting fiber directly to the household ("FTTP"). Second, the Grantee provides Cable Service to some Qualified Living Units by deploying fiber further into the neighborhoods and using the existing copper infrastructure to increase broadband speeds ("FTTN"). Generally speaking, when Grantee deploys FTTN, households located within four thousand (4,000) cable feet of a remote terminal shall receive broadband speeds capable of providing Cable Service. In both the FTTP and FTTN footprint, a household receiving a minimum of 25 Mbps downstream will be capable of receiving Cable Service after Grantee performs certain network grooming and conditioning.
- (2) The entire System shall be technically capable of transmitting NTSC analog, compressed digital and HDTV transmissions. The Grantee shall comply with all FCC regulations regarding carriage of digital and HDTV transmissions.
- (3) Grantee agrees to maintain the Cable System in a manner consistent with, or in excess of the specifications in Section 20.36 (a) (1) and (2) throughout the term of the Franchise with sufficient capability and technical quality to enable the implementation and performance of all the requirements of this Franchise, including the exhibits hereto, and in a manner which meets or exceeds applicable FCC technical quality standards at 47 C.F.R. § 76 Subpart K, regardless of the particular format in which a signal is transmitted.

(b) **System Specifications.**

- (1) System Maintenance. In all its construction and service provision activities, Grantee shall meet or exceed the construction, technical performance, extension and service requirements set forth in this Franchise.
- (2) Emergency Alert Capability. At all times during the term of this Franchise, Grantee shall provide and maintain an Emergency Alert System (EAS) consistent with applicable federal law and regulations including 47 C.F.R., Part 11, and any Minnesota State Emergency Alert

System requirements. The City may identify authorized emergency officials for activating the EAS consistent with the Minnesota State Emergency Statewide Plan ("EAS Plan"). The City may also develop a local plan containing methods of EAS message distribution, subject to Applicable Laws and the EAS Plan. Nothing in this section is intended to expand Grantee's obligations beyond that which is required by the EAS Plan and Applicable Law.

- (3) Standby Power. Grantee shall provide standby power generating capacity at the Cable System control center and at all nodes. Grantee shall maintain standby power system supplies, rated at least at two (2) hours' duration, throughout the trunk and distribution networks. In addition, Grantee shall have in place throughout the Franchise term a plan, and all resources necessary for implementation of the plan, for dealing with outages of more than two (2) hours.

(c) Technical and Safety Standards.

- (1) Grantee shall comply with the applicable technical standards promulgated by the FCC relating to Cable Systems pursuant to Title 47, Section 76, Subpart K of the Code of Federal Regulations, as may be amended or modified from time to time, which regulations are expressly incorporated herein by reference.
- (2) Grantee shall install and maintain its Cable System in accordance with the applicable requirements of the National Electrical Safety Code, and in such manner that the Cable System shall not interfere with any installations of the City or any public utility or institutional utility, or any franchisee, licensee or permittee of the City.
- (3) Grantee shall provide and put in use such equipment and appliances as in a manner so as to prevent injury to the wires, pipes, structures, and property belonging to the City or to any Person within the City.

(d) Performance Testing. Grantee shall perform all applicable system tests at the intervals required by the FCC, and all other tests reasonably necessary to determine compliance with technical standards required by this Franchise. These tests shall include, at a minimum:

- (1) Initial proof of performance for any construction;
- (2) Semi-annual compliance tests;
- (3) Tests in response to Subscriber complaints;
- (4) Tests requested by the City to demonstrate franchise compliance; and
- (5) Written records of all system test results performed by or for Grantee shall be maintained, and shall be available for City inspection upon request.

(e) Special Testing.

- (1) Throughout the term of this Franchise, City shall have the right to inspect all construction or installation work performed pursuant to the provisions of the Franchise. In addition, City may require special testing of a location or locations within the System if there is a particular matter of controversy or unresolved complaints regarding such construction or installation work or pertaining to such location(s). Demand for such special tests may be made on the basis of complaints received or other evidence indicating an unresolved controversy or noncompliance. Such tests shall be limited to the particular matter in controversy or unresolved complaints. City shall endeavor to so arrange its request for such special testing so as to minimize hardship or inconvenience to Grantee or to the Subscribers caused by such testing.
- (2) Before ordering such tests, Grantee shall be afforded thirty (30) Days following receipt of written notice to investigate and, if necessary, correct problems or complaints upon which tests were ordered. City shall meet with Grantee prior to requiring special tests to discuss the need for such and, if possible, visually inspect those locations which are the focus of concern. If, after such meetings and inspections, City wishes to commence special tests and the thirty (30) Days have elapsed without correction of the matter in controversy or unresolved complaints, the tests shall be conducted at Grantee's expense by Grantee's qualified engineer. The City shall have a right to participate in such testing by having an engineer of City's choosing, and at City's expense, observe and monitor said testing.

(f) FCC Reports. The results of any tests required to be filed by Grantee with the FCC shall also be copied to City within ten (10) Days of the conduct of the date of the tests.

SEC. 20.37. PROGRAMMING AND SERVICES.

(a) Categories of Programming Service. Grantee shall provide video programming services in at least the following broad categories:

- Local Broadcast (subject to federal carriage requirements)
- Public Broadcast
- News and Information
- Sports
- General Entertainment
- Arts/Performance/Humanities
- Science/Technology
- Children/Family/Seniors
- Foreign Language/Ethnic Programming
- PEG Access Programming (to the extent required by the Franchise)
- Movies
- Leased Access

(b) Changes in Programming Services. Grantee shall not delete or so limit as to effectively delete any broad category of programming within its control without the City's consent. Further, Grantee shall provide at least thirty (30) Days' prior written notice to Subscribers and to the City of Grantee's request to effectively delete any broad category of programming or any Channel within its control, including all proposed changes in bandwidth or Channel allocation and any assignments including any new equipment requirements that may occur as a result of these changes.

(c) Parental Control Device. Upon request by any Subscriber, Grantee shall make available for sale or lease a parental control or lockout device that will enable the Subscriber to block all access to any and all Channels without affecting those not blocked. Grantee shall inform Subscribers of the availability of the lockout device at the time of original subscription and annually thereafter.

(d) Free Cable Service to Public Buildings.

(1) As part of its support for PEG use of the System, the Grantee shall provide, at no cost to the City and to the affected institution, a free Drop to the Subscriber network and free Basic Cable Service and expanded Basic Cable Service to each public and private school, public library branch, police and fire station, community center and public building that requests a Drop in writing, and to such other public institutions as the City may reasonably request from time to time provided such location is a Qualified Living Unit and not currently receiving service from another provider. However, City may determine to disconnect the other cable provider and require Grantee to meet the free service obligation, as determined in City's sole discretion.

(2) The Grantee is only required to provide a single free Drop to the Subscriber network, to a single outlet at a point within the location selected by that location. However, the location may extend the Drop to multiple outlets and receive free Basic Cable Service and expanded Basic Cable Service at each outlet so long as such extension does not result in any violations of applicable leakage standards which the Grantee is obligated to meet. A location that wishes to install multiple outlets may do so itself, or may contract with the Grantee to do so. Grantee shall provide up to three (3) additional Set Top Boxes to each location free of charge so that the services can be received and individually tuned by each receiver connected to the Drop at a location. If an institution physically moves locations, such institution may move existing Set Top Boxes to the new locations with a free Drop, and the moved Set Top Box will not count against the three (3) additional Set Top Boxes. Grantee will replace and maintain Set Top Boxes it provides or that it had provided as necessary so that locations may continue to view the free services Grantee is required to provide. Provided such location is a Qualified Living Unit and not currently receiving Service from another provider. However, City may determine to disconnect the other cable provider and require Grantee to meet the free service obligation, as determined in City's sole discretion.

(3) Outlets of Basic Cable Service and expanded Basic Cable Service provided in accordance with this section may be used to distribute Cable Services throughout such buildings; provided such distribution can be accomplished without causing Cable System disruption

and general technical standards are maintained. Such outlets may only be used for lawful purposes. Grantee agrees that if any broadband service is required in order to receive the free service obligation set forth in this section, Grantee will provide such broadband service free of charge for the sole purpose of facilitating the provision free Cable Service required by this section. Grantee agrees that it will not offset, deduct or reduce its payment of past, present or future Franchise Fees required as a result of its obligation to connections or services to public facilities.

- (4) Maintenance of said free Service shall be provided free of fees and charges.
- (e) **Equal and Uniform Service.** To the extent required by Applicable Law, Grantee shall provide Subscriber access to equal and uniform Cable Service throughout the City.
- (f) **Annexation.** Unless otherwise provided by Applicable Law, including the City Code, upon the annexation of any additional land area by City, the annexed area shall thereafter be subject to all the terms of this Franchise upon sixty (60) Days written notification to Grantee of the annexation by City. Unless otherwise required by Applicable Laws, nothing herein shall require the Grantee to expand its Cable System to serve, or to offer Cable Service to any area annexed by the City if such area is then served by another Wireline MVPD franchised to provide multichannel video programming.
- (g) **Line Extension.**
- (1) Grantee shall not have a line extension obligation until the first date by which Grantee is providing Cable Service to more than fifty percent (50%) of all Subscribers receiving facilities based Cable Service from both the Grantee and any other provider(s) of Cable Service within the City. At that time, the City, in its reasonable discretion and after meeting with Grantee, shall determine the timeframe to complete deployment to the remaining households in the City, including a density requirement that is the same or similar to the requirement of the incumbent franchised cable operator.
- (2) Any Qualified Living Unit shall be connected to the Cable System at no charge other than the standard installation charge. Grantee shall provide Cable Service in accordance with Section 20.45 (h) herein.
- (h) **Nonvoice Return Capability.** Grantee is required to use cable and associated electronics having the technical capacity for nonvoice return communications.

SEC. 20.38. PUBLIC, EDUCATIONAL AND GOVERNMENTAL ACCESS.

- (a) **PEG Access Channel Capacity.** Within one hundred twenty (120) Days of the Effective Date of this Franchise, Grantee shall provide seven (7) activated downstream PEG Access Channels in a standard definition ("SD"), or high definition ("HD") digital format on Grantee's Basic Service Tier. Grantee shall provide that seven (7) activated downstream PEG Access Channels in SD or HD and shall not reduce the number of PEG Access Channels unless directed by the City. For the first one hundred twenty (120) Days after the Effective Date of this Franchise, the City may draft and provide to Grantee a written explanation regarding the PEG Access Channels that will soon be offered by the Grantee on the Grantee's Cable Service offering. The City shall email the content of this explanation, which shall not exceed two hundred fifty (250) words, to Grantee and Grantee shall, at its sole cost and free of charge to the City, print flyers containing this explanation ("PEG Flyer") that shall be distributed to Grantee's field technicians serving the City. The field technicians shall be instructed to include the PEG Flyer in all Subscriber installation packets for the City of Bloomington until such time as the PEG Access Channels are available in the City.
- (b) **Mosaic Channels.**
- (1) Grantee shall use Channel 24 in its Channel lineup as a means to provide ease of access by Subscribers to the Access Channels placed on Channel numbers significantly higher than the Access Channels have historically been placed under other Cable Service franchises in the City. This type of Channel shall be referred to as a "Mosaic Channel." The Mosaic Channel shall serve as a navigation tool for Subscribers, which shall display the group of Access Channels on a single Channel screen and also provide for easy navigation to a chosen Access Channel.
- (2) Grantee shall use Channel 24 as a Mosaic Channel to display the Access Channels required under this Franchise. Grantee shall not include any other programming or Channels on the Mosaic Channel unless the City provides advance written consent.

- (3) The Mosaic Channel mechanism shall allow Subscribers to navigate directly from Channel 24 to the requested Access Channel in a single operation without any intermediate steps. When using the Mosaic Channel, Subscribers shall be directed to the requested Access Channel in a high definition (HD) format if appropriate to the Subscriber's level of service; otherwise, the Subscriber shall be directed to the standard definition (SD) Access Channel. The Mosaic Channel mechanism shall allow Subscribers to navigate directly from Channel 24 to the requested Access Channels which shall be located on Channel numbers 8214, 8215, 8216, 8217, 8218, 8219 and 8220 for the seven (7) assigned PEG Channels.
- (4) Grantee shall consult with the City to determine the Access Channels information displayed on the Mosaic Channel. However, the information shall have video and audio signal strength, signal quality, and functionality equivalent to the highest quality broadcast and commercial cable/satellite Channels carried by the Grantee on its Cable System in a Mosaic format.
- (5) While the parties recognize that while the primary signals of local broadcast stations are simulcast in SD and HD formats, the Grantee's obligation with respect to carriage of PEG in HD and SD formats shall be as follows:
- (A) Grantee agrees to carry any all Access Channels in HD provided the entity originating the PEG signal provides the Grantee an HD signal. Further, Grantee will downconvert any such signal to an SD format so that Subscribers who choose not to subscribe to an HD package may receive said signal in an SD format; and
- (B) Grantee is not required to convert a signal delivered in a lower quality format to a higher quality format. The City shall have no obligation to provide a signal to the Grantee in a digital format.
- (C) All Access Channels must be receivable by Subscribers without special expense in addition to the expense paid to receive commercial services the Subscriber receives. City acknowledges that HD programming may require the viewer to have special viewer equipment (such as an HDTV and an HD-capable digital device/receiver), but any Subscriber who can view an HD signal delivered via the Cable System at a receiver shall also be able to view the HD Access Channels at that receiver, without additional charges or equipment. By agreeing to make PEG available in HD format, Grantee is not agreeing to provide free HD equipment to Subscribers including complimentary municipal and educational accounts, or to modify its equipment or pricing policies in any manner. City acknowledges that not every Subscriber may be able to view HD PEG programming (for example, because they do not have an HDTV in their home or have chosen not to take an HD-capable receiving device from Grantee or other equipment provider) or on every television in the home.
- (D) The Grantee, upon request of the City, will provide technical assistance or diagnostic services to determine whether or not the problem with the PEG signals is the result of matters for which the Grantee is responsible, and if so the Grantee will take prompt corrective actions at no cost to the City.
- (E) The Grantee will provide any Access Channels on the Basic Service tier throughout the life of the Franchise, or if there is no basic tier, shall provide the Access Channels to any Person who subscribes to any level of cable video programming service, and otherwise in accordance with federal and state law. To the extent technically feasible, Grantee shall, upon request from the City, provide City with quarterly viewership numbers for each of the Access Channels carried on Grantee's Cable System.
- (F) Grantee shall facilitate carriage of Access Channels Channel listings on its interactive Programming guide, at no cost to the City. At a minimum, the interactive Programming guide shall include listings for BTV 14 on Channel 8214, BEC-TV 15 on Channel 8215 and BCAT 16 on Channel 8216 with the remaining PEG Access Channels located on Channel numbers 8217 – 8220.
- (G) If Channels are selected through menu systems, the Access Channels shall be displayed in the same manner as other Channels, and with equivalent information regarding the programming on the Channel. To the extent that any menu system is controlled by a third party, Grantee shall ensure that the Grantee will provide PEG listings on that menu system, if it is provided with the programming information by the City.

- (H) The Grantee shall not charge for use of the Access Channels, equipment, facilities or services.
- (c) **Control of PEG Access Channels.** The control and administration of the Access Channels shall rest with the City and the City may delegate, from time to time over the term of this Franchise, such control and administration to various entities as determined in City's sole discretion.
- (d) **Transmission of Access Channels.** Access Channels may be used for transmission of non-video signals in compliance with Applicable Laws. This may include downstream transmission of data using a protocol such as TCP/IP or current industry standards. Should Grantee develop the capability to provide bi-directional data transmission, spectrum capacity shall be sufficient to allow Subscribers to transmit data to PEG facilities.
- (e) **Access Channel Locations.**
- (1) In no event shall any Access Channel reallocations be made prior to ninety (90) Days written notice to the City by Grantee, except for circumstances beyond Grantee's reasonable control.
- (2) Grantee agrees not to encrypt the Access Channels differently than other commercial Channels available on the Cable System.
- (3) In conjunction with any occurrence of any Access Channel(s) relocation, Grantee shall provide a minimum of Seven Thousand Dollars (\$7,000) of in-kind air time per event on advertiser supported Channels (e.g. USA, TNT, TBS, Discovery Channel, or other comparable Channels) for the purpose of airing City's, or its designees', pre-produced thirty (30) second announcement explaining the change in location.
- (f) **Navigation to Access Channels.** Grantee agrees that if it utilizes a visual interface under its control on its Cable System for all Channels, the Access Channels shall be treated in a non-discriminatory fashion consistent with Applicable Laws so that Subscribers will have ready access to Access Channels. This shall not be construed to require Grantee to pay any third party fees that may result from this obligation.
- (g) **Ownership of Access Channels.** Grantee does not relinquish its ownership of or ultimate right of control over a Channel by designating it for PEG use. A PEG access user – whether an individual, educational or governmental user – acquires no property or other interest by virtue of the use of a Channel position so designated. Grantee shall not exercise editorial control over any public, educational, or governmental use of a Channel position, except Grantee may refuse to transmit any public access program or portion of a public access program that contains obscenity, indecency, or nudity in violation of Applicable Law.
- (h) **Noncommercial Use of PEG.** Permitted noncommercial uses of the Access Channels shall include by way of example and not limitation: (1) the identification of financial supporters similar to what is provided on public broadcasting stations; or (2) the solicitation of financial support for the provision of PEG programming by the City or third party users for charitable, educational or governmental purposes; or (3) programming offered by accredited, non-profit, educational institutions which may, for example, offer telecourses over a Access Channel.
- (i) **Dedicated Fiber Return Lines.** As soon as technically feasible and in no event longer than one hundred twenty (120) Days, Grantee shall provide and maintain, free of charge with no transport costs or other fees imposed, fiber paths to facilitate PEG origination/return capacity between:
- 1) the City Hall and the Grantee's headend; and
- 2) the Valley View Middle School, 8900 Portland Avenue South, and the Grantee's headend. In addition, Grantee shall at all times provide and maintain, free of charge, a Drop to the Cable System, required set-top box and free Basic and Expanded Basic service to the City Hall and the Valley View Middle School, 8900 Portland Avenue South, to allow these facilities to view (live) the downstream PEG programming Channels on Grantee's Cable System so they can monitor the PEG signals and make certain that PEG programming is being properly received (picture and sound) by Subscribers.
- (j) **Ancillary Equipment.** Any ancillary equipment operated by Grantee for the benefit of PEG Access Channels on Grantee's fiber paths or Cable System, whether referred to switchers, routers or other equipment, will be maintained by Grantee, at no cost to the City or schools for the life of the Franchise. Grantee is responsible for any ancillary equipment on its side of the demarcation point and the City or school is responsible for all other production/playback equipment.
- (k) **Future Fiber Return Lines for PEG.** At such time that the City determines:

- (1) that the City desires the capacity to allow Subscribers in the City to receive PEG programming (video or character generated) which may originate from schools, City facilities, other government facilities or other designated facilities (other than those indicated in paragraph 20.38 (i)); or
- (2) that the City desires to establish or change a location from which PEG programming is originated; or
- (3) that the City desires to upgrade the Connection to Grantee from an existing signal point of origination,

the City will give Grantee written notice detailing the point of origination and the capability sought by the City. Grantee agrees to submit a cost estimate to implement the City's plan within a reasonable period of time but not later than September 1st in the year preceding the request for any costs exceeding Twenty-five Thousand and No/100 Dollars (\$25,000). The cost estimate will be on a time and materials basis with no additional markup. After an agreement to reimburse Grantee for Grantee's out of pocket time and material costs, Grantee will implement any necessary Cable System changes within a reasonable period of time. Nothing herein prevents the City, or a private contractor retained by the City, from constructing said return fiber.)

(l) Access Channel Carriage.

- (1) Any and all costs associated with any modification of the Access Channels or signals after the Access Channels/signals leave the City's designated playback facilities, or any designated playback center authorized by the City shall be borne entirely by Grantee. Grantee shall not cause any programming to override PEG programming on any Access Channel, except by oral or written permission from the City, with the exception of emergency alert signals.
- (2) The City may request and Grantee shall provide an additional Access Channel when the cumulative time on all the existing Access Channels combined meets the following standard: whenever one (1) of the Access Channels in use during eighty percent (80%) of the weekdays, Monday through Friday, for eighty percent (80%) of the time during a consecutive three (3) hour period for six (6) weeks running, and there is a demand for use of an additional Channel for the same purpose, the Grantee has six (6) months in which to provide a new, Access Channel for the same purpose; provided that, the provision of the additional Channel or Channels does not require the Cable System to install Set Top Boxes.
- (3) The VHF spectrum shall be used for one (1) of the public, educational, or governmental specially designated Access Channels.
- (4) The City or its designee shall be responsible for developing, implementing, interpreting and enforcing rules for PEG Access Channel use.
- (5) The Grantee shall monitor the Access Channels for technical quality to ensure that they meet FCC technical standards including those applicable to the carriage of Access Channels, provided however, that the Grantee is not responsible for the production quality of PEG programming productions. The City, or its designee, shall be responsible for the production and quality of all PEG access programming. Grantee shall carry all components of the standard definition of Access Channel including, but not limited to, closed captioning, stereo audio and other elements associated with the programming.

(m) Access Channel Support.

- (1) Upon the Effective Date of this Franchise, Grantee shall collect and remit to the City One and 40/100 Dollars (\$1.40) per Subscriber per month in support of PEG capital ("PEG Fee"). In the event the incumbent cable provider is required to or agrees to a higher, or lower, PEG fee, Grantee will increase, or decrease, its PEG fee upon sixty (60) Days written notice from the City. However, during the term of this Franchise the PEG Fee shall not exceed One and 60/100 Dollars (\$1.60) per Subscriber per month. In no event shall the PEG Fee be assessed in an amount different from that imposed upon the incumbent cable provider. The PEG Fee may be used for operational or capital support of PEG programming as determined in the City's discretion.

Grantee agrees that financial support for PEG arising from or relating to the obligations set forth in this section shall in no way modify or otherwise affect Grantee's obligations to pay Franchise Fees to the City. Grantee agrees that although the sum of Franchise Fees plus the payments set forth in this section may total more than five percent (5%) of Grantee's

Gross Revenues in any twelve (12) month period, the additional commitments shall not be offset or otherwise credited in any way against any Franchise Fee payments under this Franchise.

- (2) The PEG Fee is not intended to represent part of the Franchise Fee and are intended to fall within one (1) or more of the exceptions in 47 U.S.C. § 542. The PEG Fee may be categorized, itemized, and passed through to Subscribers as permissible, in accordance with 47 U.S.C. §542 or other Applicable Laws. Grantee shall pay the PEG Fee to the City quarterly at the same time as the payment of Franchise Fees under Section 20.47 of the Franchise. Grantee agrees that it will not offset or reduce its payment of past, present or future Franchise Fees required as a result of its obligation to remit the PEG Funds or the PEG Fee.
- (3) Any PEG Fees owing pursuant to this Franchise which remain unpaid more than twenty-five (25) Days after the date the payment is due shall be delinquent and shall thereafter accrue interest at twelve percent (12%) per annum.

(n) PEG Technical Quality.

- (1) Grantee shall not be required to carry a PEG Access Channel in a higher quality format than that of the Channel signal delivered to Grantee, but Grantee shall not implement a change in the method of delivery of Access Channels that results in a material degradation of signal quality or impairment of viewer reception of Access Channels, provided that this requirement shall not prohibit Grantee from implementing new technologies also utilized for commercial Channels carried on its Cable System. Grantee shall meet FCC signal quality standards when offering Access Channels on its Cable System and shall continue to comply with closed captioning pass-through requirements. There shall be no significant deterioration in an Access Channels signal from the point of origination upstream to the point of reception downstream on the Cable System. Grantee shall distribute the PEG Access Channel signal without degradation and consistent with the manner in which Grantee delivers the average commercial Channel.
- (2) Within twenty-four (24) hours of a written request from City to the Grantee identifying a technical problem with an Access Channel and requesting assistance, Grantee will provide technical assistance or diagnostic services to determine whether or not a problem with a PEG signal is the result of matters for which Grantee is responsible and if so, Grantee will take prompt corrective action. If the problem persists and there is a dispute about the cause, then the parties shall meet with engineering representation from Grantee and the City in order to determine the course of action to remedy the problem.

(o) Access Channel Promotion. Grantee shall allow the City to print and mail a post card for promoting a designated entity's service or generally promoting community programming, to households in the City subscribing to Grantee's Cable Service at a cost to the City not to exceed Grantee's out of pocket cost, no less frequently than twice per year, or at such time as a Access Channel is moved or relocated, upon the written request of the City. The post card shall be designed by the City and shall conform to the Grantee's standards and policies for size and weight. Any post card denigrating the Grantee, its service or its programming is not permitted. The City agrees to pay Grantee in advance for the actual cost of such post card.

(p) Change in Technology. In the event Grantee makes any change in the Cable System and related equipment and facilities or in its signal delivery technology, which requires the City to obtain new equipment in order to be compatible with such change for purposes of transport and delivery of the Access Channels, Grantee shall, at its own expense and free of charge to City or its designated entities, purchase such equipment as may be necessary to facilitate the cablecasting of the Access Channels in accordance with the requirements of the Franchise.

(q) Relocation of Grantee's Headend. In the event Grantee relocates its headend, Grantee will be responsible for replacing or restoring the existing dedicated fiber connections at Grantee's cost so that all the functions and capacity remain available, operate reliably and satisfy all applicable technical standards and related obligations of the Franchise free of charge to the City or its designated entities.

(r) Regional Channel Six. Grantee shall make available Regional Channel Six as long as it is required to do so by the State of Minnesota.

- (s) **Compliance with Minnesota Statutes Chapter 238.** In addition to the requirements contained in this Section 20.38 of this Franchise, Grantee and City shall comply with the PEG requirements mandated by Minn. Stat. § 238.084.

SEC. 20.39. REGULATORY PROVISIONS.

- (a) **Intent.** The City shall have the right to administer and regulate activities under the Franchise up to the full extent permitted by Applicable Law.
- (b) **Delegation of Authority to Regulate.** The City reserves the right to delegate its regulatory authority wholly or in part to agents of the City, including, but not limited to, an agency which may be formed to regulate several franchises in the region in a manner consistent with Applicable Laws. Any existing delegation in place at the time of the grant of this Franchise shall remain intact unless expressly modified by City.
- (c) **Areas of Administrative Authority.** In addition to any other regulatory authority granted to the City by law or franchise, the City shall have administrative authority in the following areas:
- (1) Administering and enforcing the provisions of this Franchise, including the adoption of administrative rules and regulations to carry out this responsibility.
 - (2) Coordinating the operation of Access Channels.
 - (3) Formulating and recommending long-range cable communications policy for the Franchise Area.
 - (4) Disbursing and utilizing Franchise revenues paid to the City.
 - (5) Administering the regulation of rates, to the extent permitted by Applicable Law.
 - (6) All other regulatory authority permitted under Applicable Law.

The City or its designee shall have continuing regulatory jurisdiction and supervision over the System and the Grantee's operations under the Franchise to the extent allowed by Applicable Law.

(d) **Regulation of Rates and Charges.**

- (1) Right to Regulate. The City reserves the right to regulate rates or charges for any Cable Service within the limits of Applicable Law, to enforce rate regulations prescribed by the FCC, and to establish procedures for said regulation or enforcement.
- (2) Notice of Change in Rates and Charges. Throughout the term of this Franchise, Grantee shall give the City and all Subscribers within the City at least thirty (30) Days' notice of any intended modifications or additions to Subscriber rates or charges. Nothing in this subsection shall be construed to prohibit the reduction or waiving of rates or charges in conjunction with promotional campaigns for the purpose of attracting Subscribers or users.
- (3) Rate Discrimination Prohibited. Within any category of Subscribers, Grantee shall not discriminate among Subscribers with regard to rates and charges made for any service based on considerations of race, color, creed, sex, marital or economic status, national origin, sexual preference, or (except as allowed by Applicable Law) neighborhood of residence, except as otherwise provided herein; and for purposes of setting rates and charges, no categorization of Subscribers shall be made by Grantee on the basis of those considerations. Nevertheless, Grantee shall be permitted to establish (1) discounted rates and charges for providing Cable Service to low-income, handicapped, or low-income elderly Subscribers, (2) promotional rates, and (3) bulk rate and package discount pricing.
- (4) Multiple Dwelling Units. Grantee shall ensure that rates charged by Grantee to residents of multiple dwelling unit buildings do not exceed the charges paid by residents of single family homes. Grantee may not condition provision of services to multiple dwelling unit buildings on any requirement not imposed on other Subscribers. Grantee may not condition provision of services to multiple dwelling unit buildings on an exclusive service agreement with Grantee. Grantee may offer a building owner the option of a long-term agreement in return for installation of internal wiring or other telecommunications improvements unique to the building, but Grantee must offer the alternative of a no term agreement to building owners who wish to contract directly for installation by a contractor approved by Grantee and in accordance with Grantee's generally applicable technical standards. The foregoing does not restrict, condition, or inhibit Grantee's ability to negotiate longer-term right of entry agreements prior to offering service to multiple unit building residents for the purpose of maintaining Grantee's on-site signal and facilities. For purposes of this subsection d, a "right

of entry agreement" means an agreement that permits Grantee access to the building to extend its distribution cable from the Cable System in the right-of-way or public easement to the utility closet or other Demarcation Point in the multiple unit building.

SEC. 20.40. BOND.

- (a) **Performance Bond.** Within thirty (30) Days of the Effective Date of this Franchise and at all times thereafter Grantee shall maintain with City a bond in the sum of One Hundred Thousand and No/100 Dollars (\$100,000.00) in such form and with such sureties as shall be acceptable to City, conditioned upon the faithful performance by Grantee of this Franchise and the acceptance hereof given by City and upon the further condition that in the event Grantee shall fail to comply with any law, ordinance or regulation, there shall be recoverable jointly and severally from the principal and surety of the bond, any damages or losses suffered by City as a result, including the full amount of any compensation, indemnification or cost of removal of any property of Grantee, including a reasonable allowance for attorneys' fees and costs (with interest at two percent (2%) in excess of the then prime rate), up to the full amount of the bond, and which bond shall further guarantee payment by Grantee of all claims and liens against City or any, public property, and taxes due to City, which arise by reason of the construction, operation, maintenance or use of the Cable System.
- (b) **Rights.** The rights reserved by City with respect to the bond are in addition to all other rights the City may have under this Franchise or any other law.
- (c) **Reduction of Bond Amount.** City may, in its sole discretion, reduce the amount of the bond.
- (d) **Prior to Draw of Bond.** The City shall provide Grantee reasonable advanced notice of not less than ten (10) Days prior to any draw by the City on the performance bond required under this Section 9.

SEC. 20.41. SECURITY FUND.

- (a) **Security Fund.** If there is an uncured breach by Grantee of a material provision of this Franchise or a pattern of repeated violations of any provision(s) of this Franchise, then Grantee shall, upon written request, establish and provide to the City, as security for the faithful performance by Grantee of all of the provisions of this Franchise, a letter of credit from a financial institution satisfactory to the City in the amount of Twenty-five Thousand and No/100 Dollars (\$25,000.00). In no event shall Grantee fail to post a Twenty-five Thousand and No/100 Dollar (\$25,000.00) letter of credit within thirty (30) Days receipt of a notice of franchise violation pursuant to this Section 10.1. Failure to post said letter of credit shall constitute a separate material violation of this Franchise, unless the breach is cured within such thirty (30) Day period or longer period allowed under the Franchise. The letter of credit shall serve as a common security fund for the faithful performance by Grantee of all the provisions of this Franchise and compliance with all orders, permits and directions of the City and the payment by Grantee of any claim, liens, costs, expenses and taxes due the City which arise by reason of the construction, operation or maintenance of the Cable System. Interest on this deposit shall be paid to Grantee by the bank on an annual basis. The security may be terminated by the Grantee upon the resolution of the alleged noncompliance. The obligation to establish the security fund required by this paragraph is unconditional. The fund must be established in those circumstances where Grantee disputes the allegation that it is not in compliance, and maintained for the duration of the dispute. If Grantee fails to establish the security fund as required, the City may take whatever action is appropriate to require the establishment of that fund and may recover its costs, reasonable attorneys' fees, and an additional penalty of Two Thousand Dollars (\$2,000) in that action.
- (b) **Withdrawal of Funds.** Provision shall be made to permit the City to withdraw funds from the security fund. Grantee shall not use the security fund for other purposes and shall not assign, pledge or otherwise use this security fund as security for any purpose.
- (c) **Restoration of Funds.** Within ten (10) Days after notice to it that any amount has been withdrawn by the City from the security fund pursuant to 20.41 (d) of this section, Grantee shall deposit a sum of money sufficient to restore such security fund to the required amount.
- (d) **Liquidated Damages.** In addition to recovery of any monies owed by Grantee to City or damages to City as a result of any acts or omissions by Grantee pursuant to the Franchise, City in its sole discretion may charge to and collect from the security fund the following liquidated damages:

- (1) For failure to provide data, documents, reports or information or to cooperate with City during an application process or System review, the liquidated damage shall be One Hundred Dollars (\$100.00) per Day for each Day, or part thereof, such failure occurs or continues.
 - (2) For failure to comply with any of the provisions of this Franchise for which a penalty is not otherwise specifically provided pursuant to this Paragraph 20.41 (d), the liquidated damage shall be One Hundred Fifty Dollars (\$150.00) per Day for each Day, or part thereof, such failure occurs or continues.
 - (3) For failure to test, analyze and report on the performance of the System following a request by City, the liquidated damage shall be Two Hundred Fifty Dollars (\$250.00) per Day for each Day, or part thereof, such failure occurs or continues.
 - (4) Forty-five Days following notice from City of a failure of Grantee to comply with construction, operation or maintenance standards, the liquidated damage shall be Two Hundred Dollars (\$200.00) per Day for each Day, or part thereof, such failure occurs or continues.
 - (5) For failure to provide the services Grantee has proposed, including but not limited to the implementation and the utilization of the Access Channels the liquidated damage shall be One Hundred Fifty (\$150.00) per Day for each Day, or part thereof, such failure occurs or continues.
- (e) **Each Violation a Separate Violation.** Each violation of any provision of this Franchise shall be considered a separate violation for which separate liquidated damages can be imposed.
- (f) **Maximum 120 Days.** Any liquidated damages for any given violation shall be imposed upon Grantee for a maximum of one hundred twenty (120) Days. If after that amount of time Grantee has not cured or commenced to cure the alleged breach to the satisfaction of the City, the City may pursue all other remedies.
- (g) **Withdrawal of Funds to Pay Taxes.** If Grantee fails to pay to the City any taxes due and unpaid; or fails to repay to the City, any damages, costs or expenses which the City shall be compelled to pay by reason of any act or default of the Grantee in connection with this Franchise; or fails, after thirty (30) Days' notice of such failure by the City to comply with any provision of the Franchise which the City reasonably determines can be remedied by an expenditure of the security, the City may then withdraw such funds from the security fund. Payments are not Franchise Fees as defined in Section 20.47 of this Franchise.
- (h) **Procedure for Draw on Security Fund.** Whenever the City finds that Grantee has allegedly violated one (1) or more terms, conditions or provisions of this Franchise, a written notice shall be given to Grantee. The written notice shall describe in reasonable detail the alleged violation so as to afford Grantee an opportunity to remedy the violation. Grantee shall have thirty (30) Days subsequent to receipt of the notice in which to correct the violation before the City may require Grantee to make payment of damages, and further to enforce payment of damages through the security fund. Grantee may, within ten (10) Days of receipt of notice, notify the City that there is a dispute as to whether a violation or failure has, in fact, occurred. Such notice by Grantee shall specify with particularity the matters disputed by Grantee and shall stay the running of the above-described time.
- (1) City shall hear Grantee's dispute at the next regularly scheduled or specially scheduled Council meeting. Grantee shall have the right to speak and introduce evidence. The City shall determine if Grantee has committed a violation and shall make written findings of fact relative to its determination. If a violation is found, Grantee may petition for reconsideration.
 - (2) If after hearing the dispute, the claim is upheld by the City, then Grantee shall have thirty (30) Days within which to remedy the violation before the City may require payment of all liquidated damages due it.
- (i) **Time for Correction of Violation.** The time for Grantee to correct any alleged violation may be extended by the City if the necessary action to collect the alleged violation is of such a nature or character as to require more than thirty (30) Days within which to perform provided Grantee commences corrective action within fifteen (15) Days and thereafter uses reasonable diligence, as determined by the City, to correct the violation.
- (j) **Grantee's Right to Pay Prior to Security Fund Draw.** Grantee shall have the opportunity to make prompt payment of any assessed liquidated damages and if Grantee fails to promptly remit payment to the City, the City may resort to a draw from the security fund in accordance with the terms of this Section 20.41 of the Franchise.

- (k) **Failure to so Replenish Security Fund.** If any security fund is not so replaced, City may draw on said security fund for the whole amount thereof and hold the proceeds, without interest, and use the proceeds to pay costs incurred by City in performing and paying for any or all of the obligations, duties and responsibilities of Grantee under this Franchise that are not performed or paid for by Grantee pursuant hereto, including attorneys' fees incurred by the City in so performing and paying. The failure to so replace any security fund may also, at the option of City, be deemed a default by Grantee under this Franchise. The drawing on the security fund by City, and use of the money so obtained for payment or performance of the obligations, duties and responsibilities of Grantee which are in default, shall not be a waiver or release of such default.
- (l) **Collection of Funds Not Exclusive Remedy.** The collection by City of any damages or monies from the security fund shall not affect any other right or remedy available to City, nor shall any act, or failure to act, by City pursuant to the security fund, be deemed a waiver of any right of City pursuant to this Franchise or otherwise. Notwithstanding this section, however, should the City elect to impose liquidated damages that remedy shall remain the City's exclusive remedy for the one hundred twenty (120) Day period set forth in Section 20.41 (f).

SEC. 20.42. DEFAULT.

- (a) **Basis for Default.** City shall give written notice of default to Grantee if City, in its sole discretion, determines that Grantee has:
- (1) Violated any material provision of this Franchise or the acceptance hereto or any rule, order, regulation or determination of the City, state or federal government, not in conflict with this Franchise;
 - (2) Attempted to evade any provision of this Franchise or the acceptance hereof;
 - (3) Practiced any fraud or deceit upon City or Subscribers;
 - (4) Made a material misrepresentation of fact in the application for or negotiation of this Franchise; or
 - (5) Failed to comply with Section 2 herein regarding build out.
- (b) **Default Procedure.** If Grantee fails to cure such default within thirty (30) Days after the giving of such notice (or if such default is of such a character as to require more than thirty (30) Days within which to cure the same, and Grantee fails to commence to cure the same within said thirty (30) Day period and thereafter fails to use reasonable diligence, in City's sole opinion, to cure such default as soon as possible), then, and in any event, such default shall be a substantial breach and City may elect to terminate the Franchise. The City may place the issue of revocation and termination of this Franchise before the governing body of City at a regular meeting. If City decides there is cause or reason to terminate, the following procedure shall be followed:
- (1) City shall provide Grantee with a written notice of the reason or cause for proposed termination and shall allow Grantee a minimum of thirty (30) Days subsequent to receipt of the notice in which to correct the default.
 - (2) Grantee shall be provided with an opportunity to be heard at a public hearing prior to any decision to terminate this Franchise.
 - (3) If, after notice is given and an opportunity to cure, at Grantee's option, a public hearing is held, and the City determines there was a violation, breach, failure, refusal or neglect, the City may declare by resolution the Franchise revoked and of no further force and effect unless there is compliance within such period as the City may fix, such period may not be less than thirty (30) Days provided no opportunity for compliance need be granted for fraud or misrepresentation. Nothing herein shall waive Grantee's right to challenge any City action in court in accordance with Applicable Law.
- (c) **Mediation/Legal Challenge.** The City and the Grantee agree to submit all claims, disputes and other matters in question between the parties arising out of or relating to this Franchise to mediation. The mediation shall be conducted through the Conflict Resolution Center, 2101 Hennepin Avenue, Suite 100, Minneapolis, MN 55405. The parties hereto shall decide whether mediation shall be binding or non-binding. If the parties cannot reach agreement, mediation shall be non-binding. In the event mediation is unsuccessful, either party may exercise its legal or equitable remedies and may commence such action prior to the expiration of the applicable statute of limitations.
- (d) **Failure to Enforce.** Grantee shall not be relieved of any of its obligations to comply promptly with any provision of the Franchise by reason of any failure of the City to enforce prompt compliance.

and City's failure to enforce shall not constitute a waiver of rights or acquiescence in Grantee's conduct.

(e) Compliance with the Laws.

- (1) If any federal or state law or regulation shall require or permit City or Grantee to perform any service or act or shall prohibit City or Grantee from performing any service or act which may be in conflict with the terms of this Franchise, then as soon as possible following knowledge thereof, either party shall notify the other of the point in conflict believed to exist between such law or regulation. Grantee and City shall conform to state laws and rules regarding cable communications not later than one (1) year after they become effective, unless otherwise stated, and shall conform to federal laws and regulations regarding cable as they become effective.
- (2) If any term, condition or provision of this Franchise or the application thereof to any Person or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder hereof and the application of such term, condition or provision to Persons or circumstances other than those as to whom it shall be held invalid or unenforceable shall not be affected thereby, and this Franchise and all the terms, provisions and conditions hereof shall, in all other respects, continue to be effective and complied with provided the loss of the invalid or unenforceable clause does not substantially alter the agreement between the parties. In the event such law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision which had been held invalid or modified is no longer in conflict with the law, rules and regulations then in effect, said provision shall thereupon return to full force and effect and shall thereafter be binding on Grantee and City.

SEC. 20.43. FORECLOSURE AND RECEIVERSHIP.

- (a) Foreclosure.** Upon the foreclosure or other judicial sale of the Cable System, Grantee shall notify the City of such fact and such notification shall be treated as a notification that a change in control of Grantee has taken place, and the provisions of this Franchise governing the consent to transfer or change in ownership shall apply without regard to how such transfer or change in ownership occurred.
- (b) Receivership.** The City shall have the right to cancel this Franchise subject to any applicable provisions of state law, including the Bankruptcy Act, one hundred twenty (120) Days after the appointment of a receiver or trustee to take over and conduct the business of Grantee, whether in receivership, reorganization, bankruptcy or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said one hundred twenty (120) Days, or unless:

 - (1) Within one hundred twenty (120) Days after his election or appointment, such receiver or trustee shall have fully complied with all the provisions of this Franchise and remedied all defaults thereunder; and,
 - (2) Such receiver or trustee, within said one hundred twenty (120) Days, shall have executed an agreement, duly approved by the Court having jurisdiction in the premises, whereby such receiver or trustee assumes and agrees to be bound by each and every provision of this Franchise.

SEC. 20.44. REPORTS AND RECORDS.

- (a) Quarterly Reports.** Within thirty (30) calendar days after the end of each calendar quarter, Grantee shall submit to the City along with its Franchise Fee payment a report showing the basis for computation of such fees prepared by an officer of Grantee showing the basis for the computation of the Franchise Fees paid during that period in a form and substance substantially equivalent to Exhibit A attached hereto. This report shall separately indicate revenues received by Grantee within the City including, but not limited to such items as listed in the definition of "Gross Revenues" at Section 20.32 of this Franchise.
- (b) Reports.** Upon request of the City and in no event later than thirty (30) Days from the date of receipt of such request, Grantee shall, free of charge, prepare and furnish to the City, at the times and in the form prescribed, such additional reports related specifically to the provision of Cable Services in the City, with respect to its operation, affairs, transactions, or property, as determined in City's sole discretion as may be reasonably necessary to ensure compliance with the terms of this

Franchise. Upon request of Grantee, City takes into consideration Grantee's need for the continuing confidentiality as prescribed herein. Neither City nor Grantee shall unreasonably demand or withhold information requested pursuant with the terms of this Franchise.

(c) Communications with Regulatory Agencies.

(1) Upon written request, Grantee shall submit to City copies of any pleading, applications, notifications, communications and documents of any kind, submitted by Grantee or its Affiliates to any federal, state or local courts, regulatory agencies and other government bodies if such documents directly relate to the operations of Grantee's Cable System within the Franchise Area. Grantee shall submit such documents to City no later than thirty (30) Days after receipt of City's request. Grantee shall not claim confidential, privileged or proprietary rights to such documents unless under federal, state, or local law such documents have been determined to be confidential by a court of competent jurisdiction, or a federal or state agency. With respect to all other reports, documents and notifications provided to any federal, state or local regulatory agency as a routine matter in the due course of operating Grantee's Cable System within the Franchise Area, Grantee shall make such documents available to City upon City's written request.

(2) In addition, Grantee and its Affiliates shall within ten (10) Days of any communication to or from any judicial or regulatory agency regarding any alleged or actual violation of this Franchise, City regulation or other requirement relating to the System, use its best efforts to provide the City a copy of the communication, whether specifically requested by the City to do so or not.

(d) Open Records. Grantee shall manage all of its operations in accordance with a policy of keeping its records open and accessible to the City. The City shall have the right to inspect all records of the Grantee and Affiliated Entities at any time during Normal Business Hours at a Grantee business operations site within Hennepin County, Minnesota, and upon reasonable notice to determine compliance by Grantee with its obligations under this Franchise. If any books, records, maps, plans or other requested documents are too voluminous, not available locally, or for security reasons cannot be copied and moved, then the Grantee may request that the inspection take place at a location mutually agreed to by City and the Grantee, provided that the Grantee must pay all reasonable travel expenses incurred by City in inspecting those documents or having the documents inspected by its designee, above those that would have been incurred had the documents been produced locally. Grantee shall not deny the City access to Grantee's records on the basis that Grantee's records are under the control of an Affiliated Entity or a third party, rather than the Grantee. In the case of Affiliated Entities not under common control with Grantee, Grantee shall not be subject to the remedies set forth in Section 20.42 if such Affiliated Entity does not permit inspection of its records, and Grantee has;

(1) made available for inspection all of its records relevant to the determination of compliance; and

(2) exercised all reasonable efforts to persuade such Affiliated Entity to make such records available for inspection.

(e) Information and Reports. Unless already provided via quarterly meetings provided for herein at Section 20.33 herein, Grantee shall provide a current copy of the following information upon request of the City:

(F) a copy of Subscriber privacy policies and the Subscribers service agreements, including terms and conditions.

(f) General Reports. The City shall have the right to request, in writing, information as is appropriate and reasonable to determine whether Grantee is in compliance with this Franchise. Grantee shall provide the City such information in a format as Grantee customarily prepares such report or information. Grantee shall fully cooperate with the City and shall provide such information and

documents as necessary and reasonable for the City to evaluate compliance. Grantee reserves the right to object to any request made under this Section 20.44 (f) as unnecessary, unreasonable or inappropriate under the circumstances.

(g) **Reports of Regulatory Violations.** Upon written request, Grantee shall provide copies to the City of any communications to and from federal, state or local courts, regulatory agencies or other governmental bodies addressed to Grantee regarding any alleged, apparent or acknowledged violation by Grantee of any applicable federal or state law specifically related to the operation of Grantee's Cable System or Grantee's provision of Cable Services within the Franchise Area. Grantee shall submit such communications to the City no later than thirty (30) Days after such request. Grantee shall not claim confidential, privileged or proprietary rights to such documents unless under applicable federal, state, or local law such documents have been determined to be confidential by a court of competent jurisdiction, or a federal or state agency or a request for confidential treatment is pending.

(h) **Public Records.**

- (1) Subject to subsection (b), Grantee acknowledges that information submitted by Grantee to the City may be open to public inspection under the Minnesota Public Records Law. Grantee is responsible for becoming familiar with and understanding the provisions of the Minnesota Public Records Law.
- (2) Grantee may identify information submitted to the City as confidential, if Grantee reasonably believes such information is qualified for an exemption recognized under the Minnesota Public Records Law. Grantee shall prominently mark each page, or portion thereof, for which it is claiming confidentiality as "Confidential" prior to submitting such information to the City. When submitting such information to the City, Grantee shall submit documentation to the Commission that specifically identifies the applicable exemption under the Minnesota Public Records Law, and stating the reason(s) Grantee believes the information is exempt from public inspection. After reviewing the Grantee's request for confidentiality, and determining whether the identified exemptions are applicable, the City shall take reasonable steps to protect the confidential nature of any such information, consistent with the Minnesota Public Records Law, including only disclosing such information to employees, representatives, and agents thereof that have a need to know or in order to enforce the provisions of this Franchise.
- (3) Within five (5) working days of receiving a public records request to inspect any such request, the City shall provide the Grantee with written notice of the request, including a copy of the request. Grantee shall have five (5) working days within which to provide a written response to the City, before the City may disclose any of the requested confidential information. If the City determines that it will be necessary to reveal the information, the City shall promptly notify the Grantee, and do so at least five (5) working days prior to the information being released. The City shall retain final discretion to determine whether to release the requested information in response to any public records request, as recognized under the Minnesota Public Records Law.

- (7) How complaints are handled including Grantee's procedure for investigation and resolution of Subscriber complaints; and
- (8) The name, address, and phone number of the Person identified by the City as responsible for handling cable questions and complaints for the City. This information shall be prominently displayed and Grantee shall submit the information to the City for review and approval as to its content and placement on Subscriber billing statements. A copy of the written information shall be provided to each Subscriber at the time of initial Connection and any subsequent reconnection.

(d) Reporting Complaints.

- (1) The requirements of this Section 20.45 shall be subject to federal law regarding Subscriber privacy. Grantee shall maintain all Subscriber data available for City inspection. Subscriber data shall include the date, name, address, telephone number of Subscriber complaints as well as the subject of the complaint, date and type of action taken to resolve the complaint, any additional action taken by Grantee or the Subscriber. The data shall be maintained in a way that allows for simplified access of the data by the City.

Notice must be given to Subscribers a minimum of thirty (30) Days in advance of such changes if the change is within the control of Grantee. In addition, Grantee shall notify Subscribers thirty (30) Days in advance of any significant changes in the information required by this Section 20.45 (k).

Such notice shall state the precise amount of any rate change and briefly explain in readily understandable fashion the cause of the rate change (e.g., inflation, change in external costs or the addition/deletion of Channels). When the change involves the addition or deletion of Channels, each Channel added or deleted must be separately identified. For purposes of the carriage of digital broadcast signals, Grantee need only identify for Subscribers, the television signal added and not whether that signal may be multiplexed during certain dayparts.
- (m) **Subscriber Contracts.** Grantee shall, upon written request, provide the City with any standard form residential Subscriber contract utilized by Grantee. If no such written contract exists, Grantee shall file with the City a document completely and concisely stating the length and terms of the Subscriber contract offered to customers. - (o) **Late Fees.** Grantee shall comply with all Applicable Laws with respect to any assessment, charge, cost, fee or sum, however characterized, that Grantee imposes upon a Subscriber for late payment of a bill. The City reserves the right to enforce Grantee's compliance with all Applicable Laws to the maximum extent legally permissible.

Additionally, Grantee shall provide information to customers concerning the procedures to follow when they are unsatisfied with measures taken by Grantee to remedy their complaint. This information will include the phone number of the City office or Person designated to handle complaints. Additionally, Grantee shall state that complaints should be made to Grantee prior to contacting the City.
- (u) **Subscriber Privacy.**
 - (1) To the extent required by Minn. Stat. §238.084 Subd. 1(s) Grantee shall comply with the following: No signals including signals of a class IV channel may be transmitted from a Subscriber terminal for purposes of monitoring individual viewing patterns or practices without the express written permission of the Subscriber. The request for permission must be contained in a separate document with a prominent statement that the Subscriber is authorizing the permission in full knowledge of its provisions. Such written permission shall be for a limited period of time not to exceed one (1) year which may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such permission. The permission shall be revocable at any time by the Subscriber without penalty of any kind whatsoever.
 - (2) No information or data obtained by monitoring transmission of a signal from a Subscriber terminal, including but not limited to lists of the names and addresses of Subscribers or any lists that identify the viewing habits of Subscribers shall be sold or otherwise made available to any party other than to Grantee or its agents for Grantee's business use, and also to the Subscriber subject of that information, unless Grantee has received specific written permission from the Subscriber to make such data available. The request for permission must be contained in a separate document with a prominent statement that the Subscriber is authorizing the permission in full knowledge of its provisions. Such written permission shall be for a limited period of time not to exceed one (1) year which may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such permission. The permission shall be revocable at any time by the Subscriber without penalty of any kind whatsoever.
 - (3) Written permission from the Subscriber shall not be required for the conducting of system wide or individually addressed electronic sweeps for the purpose of verifying System integrity or monitoring for the purpose of billing. Confidentiality of such information shall be subject to the provision set forth in subparagraph (b) of this section.

SEC. 20.46. SUBSCRIBER PRACTICES.

- (a) **Subscriber Rates.** There shall be no charge for disconnection of any installation or outlet. If any Subscriber fails to pay a properly due monthly Subscriber fee, or any other properly due fee or charge, Grantee may disconnect the Subscriber's service outlet, provided, however, that such disconnection shall not be effected until after the later of: (i) forty-five (45) Days after the original due date of said delinquent fee or charge; or (ii) ten (10) Days after delivery to Subscriber of written notice of the intent to disconnect. If a Subscriber pays before expiration of the later of (i) or (ii), Grantee shall not disconnect. After disconnection, upon payment in full of the delinquent fee or charge and the payment of a reconnection charge, Grantee shall promptly reinstate the Subscriber's Cable Service.

(b) Refunds to Subscribers shall be made or determined in the following manner:

- (1) If Grantee fails, upon request by a Subscriber, to provide any service then being offered, Grantee shall promptly refund all deposits or advance charges paid for the service in question by said Subscriber. This provision does not alter Grantee's responsibility to Subscribers under any separate contractual agreement or relieve Grantee of any other liability.
- (2) If any Subscriber terminates any monthly service because of failure of Grantee to render the service in accordance with this Franchise, Grantee shall refund to such Subscriber the proportionate share of the charges paid by the Subscriber for the services not received. This provision does not relieve Grantee of liability established in other provisions of this Franchise.
- (3) If any Subscriber terminates any monthly service prior to the end of a prepaid period, a proportionate amount of any prepaid Subscriber service fee, using the number of days as a basis, shall be refunded to the Subscriber by Grantee.

SEC. 20.47. COMPENSATION AND FINANCIAL PROVISIONS.

(a) Franchise Fees. During the term of the Franchise, Grantee shall pay to the City a Franchise Fee of five percent (5%) of Gross Revenues. If any such law, regulation or valid rule alters the five percent (5%) Franchise Fee ceiling enacted by the Cable Act, then the City shall have the authority to (but shall not be required to) increase the Franchise Fee accordingly, provided such increase is for purposes not inconsistent with Applicable Law. In the event Grantee bundles or combines Cable Services (which are subject to the Franchise Fee) with non-Cable Services (which are not subject to the Franchise Fee) so that Subscribers pay a single fee for more than one (1) class of service resulting in a discount on Cable Services, Grantee agrees that for the purpose of calculation of the Franchise Fee, it shall allocate to Cable Service revenue no less than a pro rata share of the revenue received for the bundled or combined services. The pro rata share shall be computed on the basis of the published charge for each service in the bundled or combined classes of services when purchased separately. At no time during the term of this Franchise shall the Grantee be required to pay a Franchise Fee that is a greater percentage of Gross Revenues than that paid by any other Cable Service provider.

- (1) Franchise Fees shall be paid quarterly not later than forty-five (45) Days following the end of a given quarter. In accordance with Section 16 of this Franchise, Grantee shall file with the City a Franchise Fee payment worksheet, attached as Exhibit A, signed by an authorized representative of Grantee, which identifies Gross Revenues earned by Grantee during the period for which payment is made. No acceptance of any payment shall be construed as an accord that the amount paid is, in fact, the correct amount, nor shall such acceptance of payment be construed as a release of any claim which the City may have for further or additional sums payable under the provisions of this section.
- (2) Neither current nor previously paid Franchise Fees shall be subtracted from the Gross Revenue amount upon which Franchise Fees are calculated and due for any period, unless otherwise required by Applicable Law.
- (3) Any Franchise Fees owing pursuant to this Franchise which remain unpaid more than thirty (30) Days after the dates specified herein shall be delinquent and shall thereafter accrue interest at twelve percent (12%) per annum or two percent (2%) above prime lending rate as quoted by the Wall Street Journal, whichever is greater.

(b) Auditing and Financial Records. Throughout the term of this Franchise, the Grantee agrees that the City, upon reasonable prior written notice of twenty (20) Days to the Grantee, may review such of the Grantee's books and records regarding the operation of the Cable System and the provision of Cable Service in the Franchise Area which are reasonably necessary to monitor and enforce Grantee's compliance with the provisions of this Franchise. Grantee shall provide such requested information as soon as possible and in no event more than thirty (30) Days unless Grantee explains that it is not feasible to meet this timeline and provides a written explanation for the delay and an estimated reasonable date for when such information will be provided. All such documents pertaining to financial matters that may be the subject of an inspection by the City shall be retained by the Grantee for a minimum period of seven (7) years, pursuant to Minn. Stat. § 541.05. The Grantee shall not deny the City access to any of the Grantee's records on the basis that the Grantee's records are under the control of any parent corporation, Affiliated entity or a third party.

The City may request in writing copies of any such records or books that are reasonably necessary, and the Grantee shall provide such copies within thirty (30) Days of the receipt of such request. One (1) copy of all reports and records required under this or any other section shall be furnished to the City at the sole expense of the Grantee. If the requested books and records are too voluminous, or for security reasons cannot be copied or removed, then the Grantee may request, in writing within ten (10) Days of receipt of such request, that the City inspect them at the Grantee's local offices or at one of Grantee's offices more convenient to City or its duly authorized agent. If any books or records of the Grantee are not kept in such office and not made available in copies to the City upon written request as set forth above, and if the City determines that an examination of such records is necessary for the enforcement of this Franchise, then all reasonable travel expenses incurred in making such examination shall be paid by the Grantee.

- (c) **Review of Record Keeping Methodology.** Upon request, Grantee agrees to meet with a representative of the City to review its methodology of record-keeping, financial reporting, computing Franchise Fee obligations, and other procedures the understanding of which the City deems necessary for understanding the meaning of reports and records.
- (d) **Audit of Records.** The City or its authorized agent may at any time and at the City's own expense conduct an independent audit of the revenues of Grantee in order to verify the accuracy of Franchise Fees paid to the City. Grantee and any Affiliate shall cooperate fully in the conduct of such audit and shall provide all necessary records related to the provision of Cable Services regardless of which corporate entity controls such records. In the event it is determined through such audit that Grantee has underpaid Franchise Fees in an amount of five percent (5%) or more than was due the City, then Grantee shall reimburse the City for the entire cost of the audit within thirty (30) Days of the completion and acceptance of the audit by the City.
- (e) **Records to be Reviewed.** The City agrees to request access to only those books and records, in exercising its rights under this section, which it deems reasonably necessary for the enforcement and administration of the Franchise.
- (f) **Indemnification by Grantee.**
- (1) Grantee shall, at its sole expense, fully indemnify, defend and hold harmless the City, and in their capacity as such, the officers and employees thereof, from and against any and all claims, suits, actions, liability and judgments for damage or otherwise except those arising wholly from negligence on the part of the City or its employees; for actual or alleged injury to persons or property, including loss of use of property due to an occurrence, whether or not such property is physically damaged or destroyed, in any way arising out of or through or alleged to arise out of or through the acts or omissions of Grantee or its officers, agents, employees, or contractors or to which Grantee's or its officers, agents, employees or contractors acts or omissions in any way contribute, and whether or not such acts or omissions were authorized or contemplated by this Franchise or Applicable Law; arising out of, or alleged to arise out of any claim for damages for Grantee's invasion of the right of privacy, defamation of any Person, firm or corporation, or the violation of infringement of any copyright, trademark, trade name, service mark or patent, or of any other right of any Person, firm or corporation; arising out of or alleged to arise out of Grantee's failure to comply with the provisions of any Applicable Law. Nothing herein shall be deemed to prevent the City, its officers, or its employees from participating in the defense of any litigation by their own counsel at such parties' expense. Such participation shall not under any circumstances relieve Grantee from its duty of defense against liability or of paying any judgment entered against the City, its officers, or its employees.
 - (2) Grantee shall contemporaneously with this Franchise execute an Indemnity Agreement in a form acceptable to the City attached as Exhibit B, which shall indemnify, defend and hold the City harmless for any claim for injury, damage, loss, liability, cost or expense, including court and appeal costs and reasonable attorneys' fees or reasonable expenses arising out of the actions of the City in granting this Franchise. This obligation includes any claims by another franchised cable operator against the City that the terms and conditions of this Franchise are less burdensome than another franchise granted by the City or that this Franchise does not satisfy the requirements of applicable federal, state, or local laws.
- (g) **Grantee Insurance.** Upon the Effective Date, Grantee shall, at its sole expense take out and maintain during the term of this Franchise public liability insurance with a company licensed to do business in the state of Minnesota with a rating by A.M. Best & Co. of not less than "A-" that shall

protect the Grantee, City and its officials, officers, directors, employees and agents from claims which may arise from operations under this Franchise, whether such operations be by the Grantee, its officials, officers, directors, employees and agents or any subcontractors of Grantee. This liability insurance shall include, but shall not be limited to, protection against claims arising from bodily and personal injury and damage to property, resulting from Grantee's vehicles, products and operations. The amount of insurance for single limit coverage applying to bodily and personal injury and property damage shall not be less than Three Million Dollars (\$3,000,000). The liability policy shall include:

- (1) The policy shall provide coverage on an "occurrence" basis.
- (2) The policy shall cover personal injury as well as bodily injury.
- (3) The policy shall cover blanket contractual liability subject to the standard universal exclusions of contractual liability included in the carrier's standard endorsement as to bodily injuries, personal injuries and property damage.
- (4) Broad form property damage liability shall be afforded.
- (5) City shall be named as an additional insured on the policy.
- (6) An endorsement shall be provided which states that the coverage is primary insurance with respect to claims arising from Grantee's operations under this Franchise and that no other insurance maintained by the Grantor will be called upon to contribute to a loss under this coverage.
- (7) Standard form of cross-liability shall be afforded.
- (8) An endorsement stating that the policy shall not be canceled without thirty (30) Days' notice of such cancellation given to City.
- (9) City reserves the right to adjust the insurance limit coverage requirements of this Franchise no more than once every three (3) years. Any such adjustment by City will be no greater than the increase in the State of Minnesota Consumer Price Index (all consumers) for such three (3) year period.
- (10) Upon the Effective Date, Grantee shall submit to City a certificate documenting the required insurance, as well as any necessary properly executed endorsements. The certificate and documents evidencing insurance shall be in a form acceptable to City and shall provide satisfactory evidence that Grantee has complied with all insurance requirements. Renewal certificates shall be provided to City prior to the expiration date of any of the required policies. City will not be obligated, however, to review such endorsements or certificates or other evidence of insurance, or to advise Grantee of any deficiencies in such documents and receipt thereof shall not relieve Grantee from, nor be deemed a waiver of, City's right to enforce the terms of Grantee's obligations hereunder. City reserves the right to examine any policy provided for under this paragraph or to require further documentation reasonably necessary to form an opinion regarding the adequacy of Grantee's insurance coverage.

SEC. 20.48. MISCELLANEOUS PROVISIONS.

- (a) **Posting and Publication.** Grantee shall assume the cost of posting and publication of this Franchise as such posting and publication is required by law and such is payable upon Grantee's filing of acceptance of this Franchise.
- (b) **Guarantee of Performance.** Grantee agrees that it enters into this Franchise voluntarily in order to secure and in consideration of the grant from the City of a ten (10) year Franchise. Performance pursuant to the terms and conditions of this Franchise is guaranteed by Grantee.
- (c) **Entire Agreement.** This Franchise contains the entire agreement between the parties, supersedes all prior agreements or proposals except as specifically set forth herein, and cannot be changed orally but only by an instrument in writing executed by the parties. This Franchise is made pursuant to Minnesota Statutes § 238 and the City Code and is intended to comply with all requirements set forth therein.
- (d) **Consent.** Wherever the consent or approval of either Grantee or the City is specifically required in this agreement, such consent or approval shall not be unreasonably withheld.
- (e) **Franchise Acceptance.** No later than forty-five (45) Days following City Council approval of this Franchise, Grantee shall execute and return to the City three (3) original franchise agreements. The executed agreements shall be returned to the City accompanied by performance bonds,

security funds, and evidence of insurance, all as provided in this Franchise. The City's "Notice of Intent to Consider an Application for a Franchise" ("Notice") provided, consistent with Minn. Stat. 238.081 subd. 8, that applicants would be required to reimburse the City for all necessary costs of processing a cable communications franchise. Grantee submitted an application fee with its application to the City. The Notice further provided that any unused portion of the application fee would be returned and any additional fees required to process the application and franchise, beyond the application fee, would be assessed to the successful applicant. The Grantee shall therefore submit to the City at the time of acceptance of this Franchise, a check made payable to the City of Bloomington, Minnesota for all additional fees and costs incurred by the City. The City shall provide Grantee with a letter specifying such additional costs following approval of this Franchise by the City Council. In the event Grantee fails to accept this Franchise, or fails to provide the required documents and payments, this Franchise shall be null and void. The Grantee agrees that despite the fact that its written acceptance may occur after the Effective Date, the obligations of this Franchise shall become effective on December 1, 2015.

- (f) **Amendment of Franchise.** Grantee and City may agree, from time to time, to amend this Franchise. Such written amendments may be made subsequent to a review session pursuant to Section 20.33 (f) or at any other time if City and Grantee agree that such an amendment will be in the public interest or if such an amendment is required due to changes in federal, state or local laws; provided, however, nothing herein shall restrict City's exercise of its police powers.
- (g) **Franchise Renewal.** Any renewal of this Franchise shall be in accordance with Applicable Laws. The term of any renewed Franchise shall be limited to a period not to exceed fifteen (15) years.
- (h) **Notice.** Any notification that requires a response or action from a party to this Franchise, within a specific time-frame or would trigger a timeline that would affect one or both parties' rights under this Franchise, shall be made in writing and shall be sufficiently given and served upon the other party by hand delivery, first class mail, registered or certified, return receipt requested, postage prepaid, or by reputable overnight courier service and addressed as follows:

(i) **Rights of Individuals.**

- (1) Grantee shall provide Cable Service under non-discriminatory rates and reasonable terms and conditions to all Persons who reside in Qualified Living Units. Grantee shall not arbitrarily refuse to provide Cable Services to any Person or in any location where the Grantee is capable of providing Cable Service. Grantee shall not deny Cable Services to any group of Subscribers or potential Residential Subscribers based upon the income level of residents of the local area in which such group resides, nor shall Grantee base decisions about construction or maintenance of its Cable System or facilities based upon the income level of residents of the local area in which such group resides. Grantee shall provide such service at non-discriminatory monthly rates for residential Subscribers, consistent with Applicable Law. Grantee shall not discriminate between or among any individuals in the

availability of Cable Service based upon income in accordance and consistent with 47 U.S.C. Section 541(a)(3), or based upon race or ethnicity. Grantee shall adhere to the applicable equal employment opportunity requirements of Applicable Laws, as now written or as amended from time to time including 47 U.S.C. Section 551, Protection of Subscriber Privacy.

- (2) Neither Grantee, nor any Person, agency, or entity shall, without the Subscriber's consent, tap or arrange for the tapping, of any cable, line, signal input device, or Subscriber outlet or receiver for any purpose except routine maintenance of the System, detection of unauthorized service, polling with audience participating, or audience viewing surveys to support advertising research regarding viewers where individual viewing behavior cannot be identified.
 - (3) Grantee shall not, without lawful court order or other applicable valid legal authority, utilize the System's interactive two-way equipment or capability for unauthorized personal surveillance of any Subscriber or general citizen.
 - (4) No cable line, wire, amplifier, Set Top Box, or other piece of equipment owned by Grantee shall be installed by Grantee in the Subscriber's premises, other than in appropriate easements, without first securing any required consent. If a Subscriber requests service, permission to install upon Subscriber's property shall be presumed. Where a property owner or his or her predecessor was granted an easement including a public utility easement or a servitude to another and the servitude by its terms contemplates a use such as Grantee's intended use, Grantee shall not be required to service the written permission of the owner for the Installation of cable television equipment.
- (j) **Rights Reserved to City.** In addition to any rights specifically reserved to the City by this Franchise, the City reserves to itself every right and power which is required to be reserved by a provision of this Franchise.
 - (k) **Severability.** If any provision of this Franchise is held by any Governmental Authority of competent jurisdiction, to be invalid as conflicting with any Applicable Laws now or hereafter in effect, or is held by such Governmental Authority to be modified in any way in order to conform to the requirements of any such Applicable Laws, such provision shall be considered a separate, distinct, and independent part of this Franchise, and such holding shall not affect the validity and enforceability of all other provisions hereof. In the event that such Applicable Laws are subsequently repealed, rescinded, amended or otherwise changed, so that the provision hereof which had been held invalid or modified is no longer in conflict with such laws, said provision shall thereupon return to full force and effect and shall thereafter be binding on City and Grantee, provided that City shall give Grantee thirty (30) Days written notice of such change before requiring compliance with said provision or such longer period of time as may be reasonably required for Grantee to comply with such provision.
 - (l) **Force Majeure.** In the event that either party is prevented or delayed in the performance of any of its obligations, under this Franchise by reason of acts of God, floods, fire, hurricanes, tornadoes, earthquakes, or other unavoidable casualties, insurrection, war, riot, vandalism, strikes, delays in receiving permits where it is not the fault of Grantee, public easements, sabotage, acts or omissions of the other party, or any other similar event beyond the reasonable control of that party, it shall have a reasonable time under the circumstances to perform such obligation under this Franchise, or to procure a substitute for such obligation to the reasonable satisfaction of the other party.
