- (b) **Permit Required.** The Company shall not open or disturb the surface of any Right of Way or Public Ground for any purpose without first having obtained a permit from the City, for which the City may impose a reasonable fee to be paid by the Company. The permit conditions imposed on the Company shall not be more burdensome than those imposed on other utilities for similar facilities or work. The mains, services and other property placed pursuant to such permit shall be located as shall be designated by the City. The Company may, however, open and disturb the surface of any Right of Way, subject to regulation under the ROW Ordinance, including but not limited to Section 17.75 of the ROW Ordinance, or Public Ground without a permit where an emergency exists requiring the immediate repair of its facilities. The Company in such event shall request a permit not later than the second working day thereafter.
- (c) **Restoration.** Restoration of the Right of Way shall be subject to the ROW Ordinance, including but not limited to Section 17.71 of the ROW Ordinance. Upon completion of any work requiring the opening of any Public Ground, the Company shall restore the same, including paving and its foundations, to as good condition as formerly, and shall exercise reasonable care to maintain the same for two years thereafter in good condition. Said work shall be completed as promptly as weather permits, and if the Company shall not promptly perform and complete the work, remove all dirt, rubbish, equipment and material, and put the Public Ground in good condition, the City shall have the right to put it in good condition at the expense of the Company; and the Company shall, upon demand, pay to the City the cost of such work done for or performed by the City, including its administrative expense and overhead, together with ten percent (10%) additional as liquidated damages. City may require Company at Company's expense to relocate or remove its Gas Facilities from Public Grounds upon a finding by City that the Gas Facilities have become or will become a substantial impairment to the existing or proposed public use of the Public Grounds. Relocation of Gas Facilities in Public Ground shall comply with applicable City ordinances consistent with law.
- (e) **Relocation When Right of Way Vacated.** Relocation of Gas Facilities when a Right of Way is vacated shall be subject to the City ROW Ordinance, including but not limited to Section 17.73 of the ROW Ordinance.

- (f) ~~**Street Improvements, Paving or Resurfacing.** The City shall give the Company reasonable written notice of plans for street improvements where paving or resurfacing of a permanent nature is involved. The notice shall contain the nature and character of the improvements, the streets upon which the improvements are to be made, the extent of the improvements and the time when the City will start the work, and, if more than one street is involved, the order in which this work is to proceed. The notice shall be given to the Company a sufficient length of time, considering reasonable working conditions, in advance of the actual commencement of the work to permit the Company to make any additions, alterations or repairs to its facilities the Company deems necessary.~~
- ~~In cases where streets are at final width and grade, and the City has installed underground sewer and water mains and service connections to the property line abutting the streets prior to a permanent paving or resurfacing of such streets, and the Company's main is located under such street, the Company may be required to install gas service connections prior to such paving or resurfacing, whenever it is apparent that gas service will be required during the five years following the paving or resurfacing.~~
- (g) ~~**Avoid Damage to Gas Facilities.** Nothing in this Ordinance relieves any person from liability arising out of the failure to exercise reasonable care to avoid damaging Gas Facilities while performing any activity.~~
- (h) ~~**Projects With Federal Funding.** Relocation, removal, or rearrangement of any Company Gas Facilities made necessary because of the extension into or through City of a federally aided highway project shall be governed by the provisions of Minnesota Statutes Section 161.46, as supplemented or amended. City shall not order Company to remove or relocate its Gas Facilities when a Public Right of Way is vacated, improved or realigned because of a renewal or a redevelopment plan which is financially subsidized in whole or in part by the Federal Government or any agency thereof, unless agreement is made that the reasonable Non-Betterment Costs of such relocation and the loss and expense resulting therefrom will be paid to Company when available to the City. The City need not pay those portions of such relocation for which reimbursement to it is not available.~~
- (i) ~~**Abandoned Facilities.** The Company shall comply with City ordinances, Minnesota Statutes, Section 216D.01, et. seq. and Minnesota Rules Part 7819.3300, as they may be amended. The Company shall maintain records describing the exact location of all abandoned and retired Gas Facilities within the City, produce such records at the City's request and comply with the location requirements of Section 216D.04 with respect to all Gas Facilities, including abandoned and retired Gas Facilities.~~

#### **SEC. 20.04. INDEMNIFICATION.**

The Company agrees to be bound by the Indemnification and Liability provisions of the ROW Ordinance, including but not limited to Section 17.85 of the ROW Ordinance. The Company shall also indemnify, keep and hold the City, its elected officials, officers, employees, and agents free and harmless from any and all costs, liabilities, and claims for damages of any kind arising out of the construction, presence, installation, maintenance, repair, removal, or operation of the Company's equipment and Gas Facilities located in, on, over, under, or across the Public Ground of the City, unless such injury or damage is the result of the negligence of the City, its elected officials, employees, officers, or agents.

If a claim or action shall be brought against the City under circumstances where indemnification applies, the Company, at its sole cost and expense, shall defend the City if written notice of the claim or action is promptly given to the Company within a period wherein the Company is not prejudiced by lack of such notice. The Company shall have complete control of such claim or action, but it may not settle without the consent of the City, which shall not be unreasonably withheld. This section is not, as to third parties, a waiver of any defense or immunity otherwise available to the City, and the Company in defending any action on behalf of the City shall be entitled to assert every defense or immunity that the City could assert in its own behalf. This franchise agreement shall not be interpreted to constitute a waiver by the City of any of its defenses of immunity or limitations on liability under Minnesota Statutes Chapter 466.

~~This ordinance and the rights and obligations conferred hereby, is binding on and inures to the benefit of the City and its successors and on the Company and its successors and permitted assigns. The assignee of such rights, by accepting such assignment, shall become subject to the terms and provisions of this franchise.~~

**~~SEC. 20.06. CHANGE IN FORM OF GOVERNMENT.~~**

~~Any change in the form of government of the City shall not affect the validity of this franchise. Any governmental unit succeeding the City shall, without the consent of the Company, automatically succeed to all of the rights and obligations of the City provided in this franchise.~~

**~~SEC. 20.07. SEVERABILITY.~~**

~~If any portion of this franchise is found to be invalid for any reason whatsoever, the validity of the rest of this franchise shall not be affected.]~~

This section is not, as to

third parties, a waiver of any defense or immunity otherwise available to the City. The Company, in defending any action on behalf of the City, shall be entitled to assert in any action every defense or immunity that the City could assert in its own behalf. This franchise agreement shall not be interpreted to constitute a waiver by the City of any of its defenses of immunity or limitations on liability under Minnesota Statutes, Chapter 466.

(c) **Compliance with Laws.** In its operations under this Ordinance, the Company shall observe all applicable federal, state, and local laws, rules, regulations, and orders with respect to the transmission, distribution, transformation, or furnishing of gas energy. Company shall not release, spill or dispose in the Public Way or Public Ground or permit to be released, spilled or disposed in the Public Way or Public Ground any materials, substances, and wastes regulated as toxic or hazardous to health, natural resources, or the environment by the State of Minnesota, the United States, or any other applicable government authority with jurisdiction (“Hazardous Materials”). In the event Company releases, spills or disposes Hazardous Materials in the Public Way or Public Ground, Company shall comply with all applicable laws, regulations, and lawful governmental orders of federal, state, and local governmental agencies related to such Hazardous Materials. The Company shall remove or remediate any Hazardous Materials caused or permitted by the Company to be released, spilled or disposed on, in, or immediately adjacent to the Public Way and Public Ground within the City in compliance with all applicable laws, regulations, and lawful governmental orders, and pay or cause to be paid all costs associated therewith, but Company shall not be responsible for removing or remediating any pre-existing Hazardous Materials encountered in the Public Way or Public Ground within the City. The indemnification terms and conditions of Section 6 shall apply to all claims made against City by any person, including any governmental agency, who or which asserts any right to costs, damages, or other relief which arise solely or directly from the Company’s negligent acts or failure to act in compliance with any law, rule, regulation, or lawful order governing Hazardous Materials.

#### **SEC. 20.08 FRANCHISE FEE.**

(a) **Form.** During the term of the franchise hereby granted, and in addition to permit fees being imposed or that the City has a right to impose, the City may charge the Company a franchise fee. The fee may be (i) a percentage of gross revenues received by the Company for its operations within the City, or (ii) a flat fee per customer based on metered service to retail customers within the City or on some other similar basis, or (iii) a fee based on units of energy

delivered to any class of retail customers within the corporate limits of the City. The method of imposing the franchise fee, the percentage of revenue rate, or the flat rate based on metered service may differ for each customer class or combine the methods described in (i) – (iii) above in assessing the fee. The City shall seek to use a formula that provides a stable and predictable amount of fees, without placing the Company at a competitive disadvantage. If the Company claims that the City required fee formula is discriminatory or otherwise places the Company at a competitive disadvantage, the Company shall provide a formula that will produce a substantially similar fee amount to the City and reimburse the City's reasonable fees and costs in reviewing and implementing the formula. The City will attempt to accommodate the Company but is under no franchise obligation to adopt the Company-proposed franchise fee formula and each review will not delay the implementation of the City-imposed fee.

(b) **Separate Ordinance.** The franchise fee shall be imposed by separate ordinance duly adopted by the City Council, which ordinance shall not be adopted until at least thirty (30) days after written notice enclosing such proposed ordinance has been served upon the Company. The fee shall become effective ten (10) days after written notice enclosing such adopted ordinance has been served upon the Company by certified mail.

(c) **Condition of Fee.** The separate ordinance imposing the fee shall not be effective against the Company unless it lawfully imposes a fee of the same or substantially similar amount on the sale of gas energy within the City by any other gas energy supplier, provided that, as to such supplier, the City has the authority or contractual right to require a franchise fee or similar fee through a previously agreed upon franchise.

(d) **Collection of Fee.** The franchise fee shall be payable not less than quarterly during complete billing months of the period for which payment is to be made. The franchise fee formula may be changed from time to time, however, the change shall meet the same notice requirements and the fee may not be changed more often than annually. Such fee shall not exceed any amount that the Company may legally charge to its customers prior to payment to the City. Such fee is subject to subsequent reductions to account for uncollectibles and customer refunds incurred by the Company. The Company agrees to make available for inspection by the City at reasonable times all records necessary to audit the Company's determination of the franchise fee payments.

(e) **Continuation of Franchise Fee.** If this franchise expires and the City and the Company are unable to agree upon terms of a new franchise, the franchise fee, if any being imposed by the City at the time this franchise expires, will remain in effect until a new franchise is agreed upon notwithstanding the franchise expiration as provided in Section 20.02(f).

#### **SEC. 20.09 ABANDONED FACILITIES.**

The Company shall comply with City ordinances, Minnesota Statutes, Section 216D.01 et seq. and Minnesota Rules Part 7819.3300, as they may be amended from time to time. The Company shall maintain records describing the exact location of all abandoned and retired Facilities within the City, produce such records at the City's request and comply with the location requirements of Section 216D.04 with respect to all Facilities, including abandoned and retired Facilities.

**SEC. 20.10 SAFETY AND INFRASTRUCTURE REPORTING.**

The Company and the City shall meet annually at a mutually convenient time to discuss items of concern or interest relating to the Company's safety and service reliability in the previous year, compared to other service areas, infrastructure plans for the coming year and other matters raised by the City or Company. Upon request, the Company shall provide data that identifies aging infrastructure within the City that may need replacement and the Company's plans for replacement.

**SEC. 20.11 PROVISIONS OF ORDINANCE.**

(a) **Severability.** Every section, provision, or part of this Ordinance is declared separate from every other section, provision, or part; and if any section, provision, or part shall be held invalid, it shall not affect any other section, provision, or part. Where a provision of any other City ordinance conflicts with the provisions of this Ordinance, the provisions of this Ordinance shall prevail.

(b) **Limitation on Applicability.** This Ordinance constitutes a franchise agreement between the City and Company as the only parties and no provision of this franchise shall in any way inure to the benefit of any third person (including the public at large) so as to constitute any such person as a third party beneficiary of the agreement or of any one or more of the terms hereof, or otherwise give rise to any cause of action in any person not a party hereto.

**SEC. 20.12 AMENDMENT-PROCEDURE.**

Either party to this franchise agreement may at any time propose that the agreement be amended. This Ordinance may be amended at any time by the City passing a subsequent ordinance declaring the provisions of the amendment, which amendatory ordinance shall become effective upon the filing of Company's written consent thereto with the City Clerk within 60 days after the effective date of the amendatory ordinance.
