In said Ordinance No. 10000 (N.S.), this Board declared its findings concerning the potential negative effects that marijuana dispensaries may have on communities, and directed the Chief Administrative Officer to develop proposed regulations which the Board will consider adopting, to regulate marijuana dispensaries so as to prevent such harmful effects on County of San Diego unincorporated areas.

Staff has indicated that more time is needed in order to develop those regulations, follow required enactment procedures, and bring the regulations to this Board for consideration.
